**Vote Note:** Engaged with the company directly. Amended from AGAINST to FOR on the basis below:

- This year will be Mr Pryke's final year as the non-executive director & Chair of the Rem committee after 12 years of tenure, to ensure smooth transition of responsibilities in the board. We consider Glass Lewis' blank rule of excessive tenure not sufficient to support the decision;
- The overall Rem structure is reasonable and supported hence Mr Pryke should not be voted against
