

Annual Report 2024

Avoca District Co-operative
Limited

Community Bank
Avoca, Maryborough and St Arnaud
ABN 82 022 501 598

Introduction

The Community Bank Avoca, Maryborough and St Arnaud is a locally owned and operated bank that gives back the majority of its profits to the local community.

The Avoca District Co-operative Limited (ADCL) manages the Community Bank Avoca, Maryborough and St Arnaud and is part of the Bendigo Bank network.

ADCL entered into a franchise agreement with the Bendigo Bank to open the sixth Community Bank branch in Victoria in 1999. ADCL opened the Maryborough branch in 2006 and has managed the St Arnaud agency since 2010.

ADCL has been operational since 1999 and is made up of a Board of Directors who operate in a voluntary capacity with support from the Executive Officer.

Our professional branch team are passionate about helping customers achieve their financial goals.

We offer personal service and a full range of banking and financial products.

Community banking is based on a 'profit-with-purpose' model, which means our profits are returned directly to the community that has generated them.

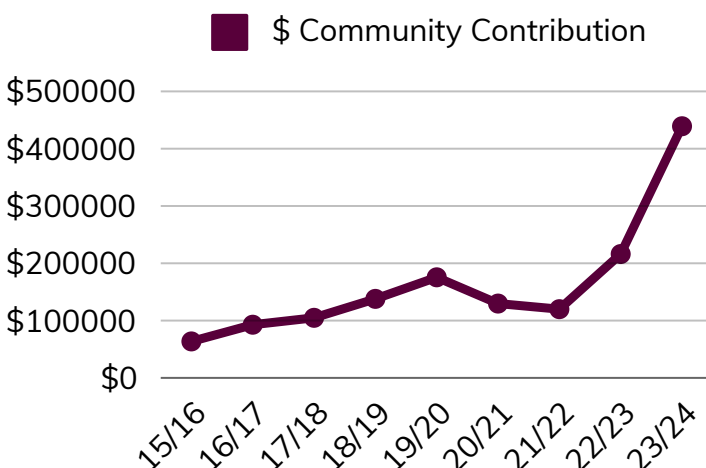

To date, we have invested \$2.4 million into the Avoca, Maryborough and St Arnaud communities.

Chair's Report

I am pleased to present this report for the year ending 30 June 2024.

As we celebrate 25 years of the Community Bank model, it's a moment to reflect on our immense impact together. Since 2009, our Community Bank has proudly reinvested \$2.4 million into our local community through grants, sponsorships, and dividends. This achievement is a testament to the model and the incredible support we've received from every corner of our community.

I thank our members sincerely. Years ago, many of you took a bold step in committing to a capital raise, believing in the potential of this Community Bank. Without your trust and willingness to take that risk, our accomplishments would not be possible today. Your foresight has helped create opportunities that will continue to benefit future generations.

To the Avoca community, thank you for embracing the change and adapting so well to our new branch since the relocation in October 2023. Transitions can be challenging, but the support from the community and our staff has been inspiring.

We are also excited about the relocation of Community Bank Maryborough in 2025. This move demonstrates the bank and board's commitment to retaining banking services in the region and providing modern, welcoming spaces for our customers. It's an investment in our community and our future, ensuring that we continue offering exceptional service.

Chair's Report

Our Co-operative collaborated closely with the Community Enterprise Foundation and Community Bank Beaufort to initiate the Western Victorian Bushfire appeal, successfully raising over \$90,000, which included \$40,000 from the wider Community Bank network. We are proud to have provided a portion of these funds back to the community as grants, supporting those affected by the bushfires. The remainder of the funds will be distributed in the coming months, ensuring ongoing support for our community members in need.

A special thanks to my fellow directors. This year, you've committed significant time and effort to some large-scale projects, including the development of a new strategic plan, updated co-operative rules, and important governance work. Your dedication ensures we're always thinking ahead and positioning the Co-operative for continued success.

I'd also like to formally welcome Carl Leach as a new Director. Carl began as a board observer in late 2023 before officially joining the board in March 2024. His insights and enthusiasm have already made a valuable contribution.

Our customers tell us time and time again that they value the quality service and personalised interactions we offer. I want to express my deepest gratitude to our staff. You consistently provide exceptional service to our customers, under the leadership of our experienced Branch Manager, Joel Condon.

These are the hallmarks of a Community Bank – providing personalised care and service, backed by the strength and capability of Bendigo Bank. Your hard work and commitment do not go unnoticed.

As always, thank you for being part of it.

Lloyd Gollop
Chairman

Branch Manager's Report

I'm honoured to present my second Branch Manager's Report for the Avoca District Co-operative Limited Annual Report.

As we close another financial year, all of us at Community Bank Avoca, Maryborough, and St Arnaud would like to sincerely thank everyone who has supported us throughout the year. We're proud to say it's been another strong and successful year for our Community Bank, and we couldn't have done it without you.

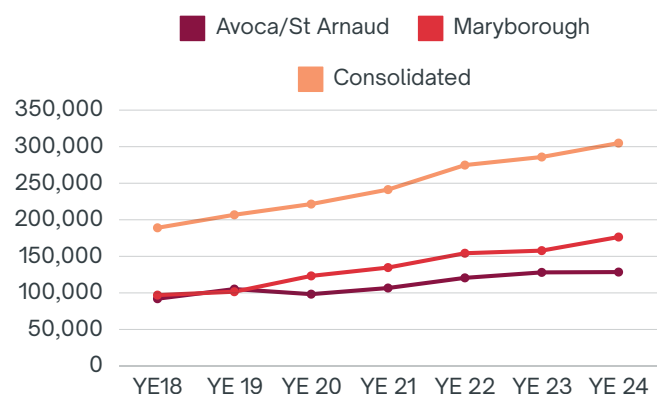

As of 30 June 2024, our overall footings reached \$304 million, an impressive increase of \$19 million from last year. Key achievements included:

- Growth in branch lending and deposits
- Growth in rural and wealth segments
- Meeting insurance activity and sales targets
- Achieving targets for our wealth 'managed fund' and 'superannuation' portfolios

These successes are a testament to the hard work of our Board and staff. I'd like to thank each of them for their dedication to our business and our communities.

One of the highlights this year was our team's unwavering focus on risk and compliance, which is vital in today's banking environment. The Avoca, Maryborough, and St Arnaud team has consistently shown a strong risk culture and a commitment to doing what's right, ensuring we remain a responsible and trusted organisation.

Footings Year End 23/24 Figures reported in '\$'000's

Branch Manager's Report

A special thanks go to our incredible staff: Aley Earl, Kristy Jones, Deanne McCarthy, Nancye Hiller, Courtney Norton, Zoe McHugh, James Ritter, Rebekah Powell, Jacqui Thomson, and Julie Driscoll. Your hard work and dedication are deeply appreciated. This team is not only cohesive and driven but also truly cares about the well-being of our customers. Their values and passion are at the heart of our strong results, benefiting the business and the community.

I'd also like to thank our Rural Bank team, led by Catherine Miller and Tom Smith. Their contribution to agribusiness is invaluable, and I look forward to continuing our successful collaboration in serving our rural communities.

While we've achieved significant milestones this year, we recognise that the year ahead will bring new challenges. The banking industry and our customers' needs are evolving rapidly.

Our branch is fully committed to adapting, ensuring we remain flexible and responsive to these changes while continuing to deliver outstanding banking services to the community. With your support, we will rise to meet these challenges and sustain the growth that enables the Cooperative to invest back into our community.

I also want to acknowledge Chair Lloyd Gollop and the board of directors for their steadfast support. Their leadership, advocacy, and guidance are vital to our success. Additionally, I thank Regional Manager Shaun Leech and the Bendigo Bank team for their ongoing assistance.

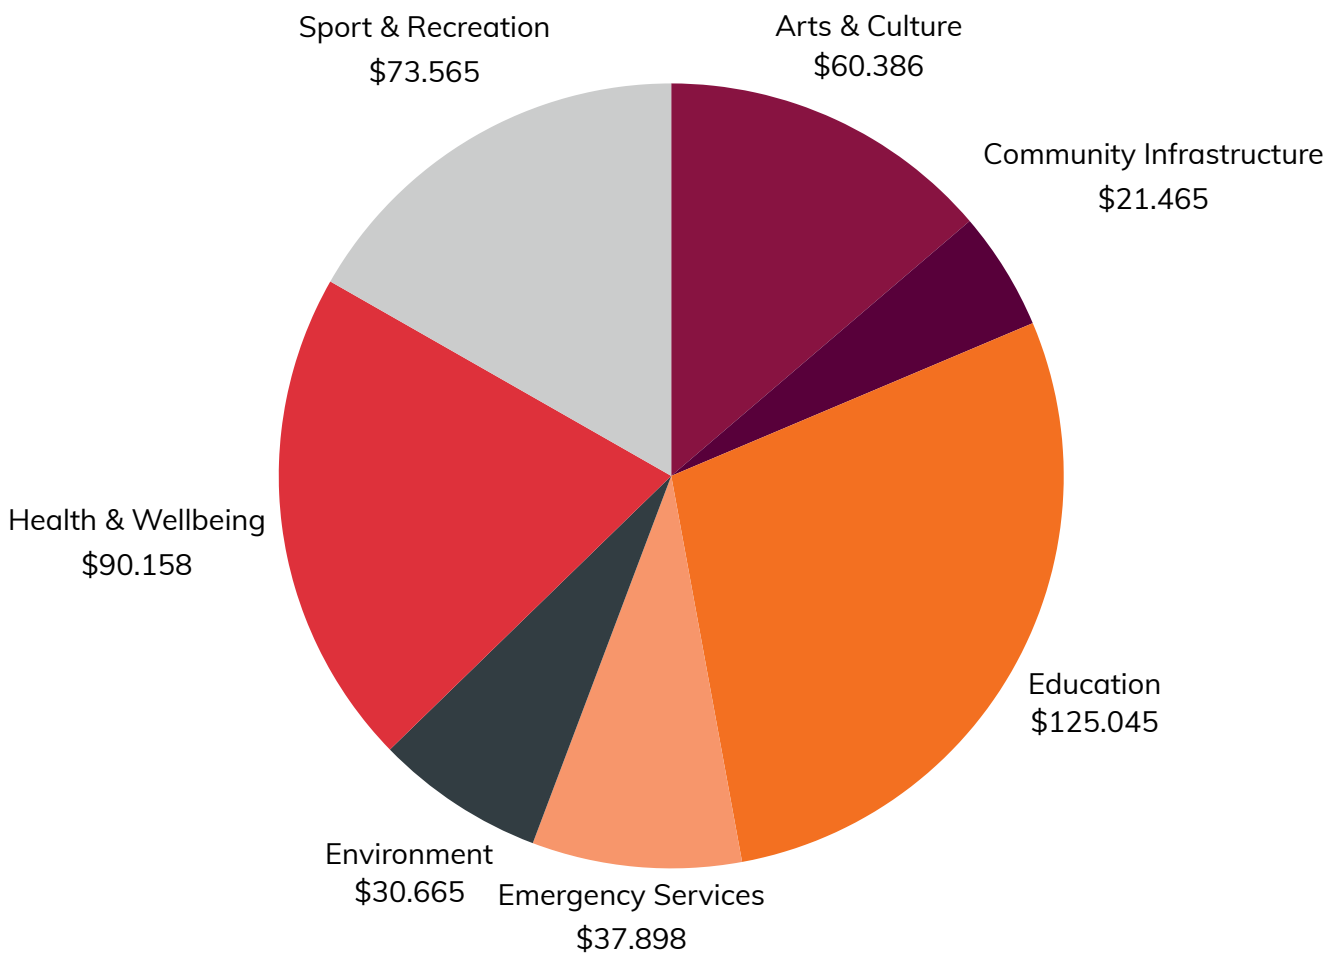

Finally, a heartfelt thank-you to our customers. Your loyalty and support are the foundation of our success. Because of you, we can continue making a positive difference in our community, and we look forward to growing alongside you in the years to come.

Community Contributions

Since our establishment in 1999, Community Bank Avoca, Maryborough and St Arnaud has been committed to investing in the development of strong connected and vibrant communities. This is achieved via grants, sponsorships and donations.

In 2023-24 we supported 83 projects with an investment of over \$439 making this our largest annual investment to date.

Scott Wilson	Qualifications and experience: Support Service Manager Interest in shares and options: Owner of 10 shares

Directors have been in office since the start of the financial year to the date of this report unless otherwise stated.

Avoca District Co-operative Limited

ABN: 82 022 501 598

Directors' Report For the Year Ended 30 June 2024

Principal activities

The principal activities of Avoca District Co-operative Limited during the financial year were to provide suitable premises, furniture, equipment, staff and other resources to enable the operation of the Community Bank in Avoca, Maryborough and St Arnaud sites, by way of management contracts and franchise agreements with Bendigo and Adelaide Bank Limited.

There were no significant changes in the nature of Avoca District Co-operative Limited's principal activities during the financial year.

Operating results

Income decreased from the previous year as margins tightened, but the Co-operative achieved a solid profit. A portion of these earnings were retained to fund the redevelopment of the Maryborough branch, strengthening the investment in the business and reinforcing the Co-operative's commitment to serving the community for the long term. Despite the challenges, the Co-operative delivered a strong year, demonstrating resilience and stability.

After tax, the Co-operative declared a profit of \$201,841 (2023: \$78,261), as detailed below:

	2024	2023
	\$	\$
Profit before tax and advertising, marketing and sponsorships	777,314	1,255,917
Less grants, marketing and sponsorship	(63,529)	(44,512)
Less Community Enterprise Foundation contributions	(446,643)	(1,105,983)
Profit before tax	267,142	105,422
Less income tax expense	(65,301)	(27,161)
Profit attributable to members of the Co-operative	<u>201,841</u>	<u>78,261</u>

In addition to the above grants, marketing and sponsorship amounts and contributions to the Community Enterprise Foundation, the Co-operative paid additional community grants from funds contributed to and held in the Community Enterprise Foundation totalling \$382,687.44 during this financial year.

Dividends and bonuses paid or recommended

Dividends and bonuses paid or recommended for payment since the start of the financial year are as follows:

- A 10% fully franked dividend was paid during the year as recommended in last year's report.
- An 8% fully franked dividend is recommended for payment out of retained earnings in relation to the year ended 30 June 2024.

No options over shares issued or interest in the Co-operative were granted during or since the end of the financial year and there were no options outstanding at the date of this report.

Significant changes in state of affairs

There have been no significant changes in the state of affairs of the Co-operative during the year.

Avoca District Co-operative Limited

ABN: 82 022 501 598

Directors' Report

For the Year Ended 30 June 2024

Events after the reporting date

No matters or circumstances have arisen since the end of the financial year which significantly affected or could significantly affect the operations of the Co-operative, the results of those operations or the state of affairs of the Co-operative in future financial years.

Future developments and results

Likely developments in the operations of the Co-operative and the expected results of those operations in future financial years have not been included in this report as the inclusion of such information is likely to result in unreasonable prejudice to the Co-operative.

Environmental issues

The Co-operative's operations are not regulated by any significant environmental regulations under a law of the Commonwealth or of a state or territory of Australia.

Co-operative secretary

The position of Co-operative secretary at the end of the financial year was held by Julie Driscoll, who has held the position since her appointment in July 2012. Since October 2019, Julie has also performed the role of the Executive Officer of the Co-operative.

Meetings of directors

During the financial year, 16 meetings of directors (in addition to various director committee meetings) were held. Attendances by each director during the year were as follows:

	Directors' Meetings		Finance Committee		Governance Committee		Human Resource Committee		Community Impact Committee	
	Number eligible to attend	Number attended	Number eligible to attend	Number attended	Number eligible to attend	Number attended	Number eligible to attend	Number attended	Number eligible to attend	Number attended

**Directors' Report
For the Year Ended 30 June 2024**

Indemnification and insurance of officers and auditors

No indemnities have been given, during or since the end of the financial year, for any person who is or has been an officer or auditor of Avoca District Co-operative Limited. During the financial year the Co-operative has paid a premium in respect on a contract insuring the directors against certain liabilities. The contract prohibits the disclosure of the nature of the liabilities and the amount of the premium.

Proceedings on behalf of the Co-operative

No person has applied for leave of court to bring proceedings on behalf of the Co-operative or intervene in any proceedings to which the Co-operative is a party for the purpose of taking responsibility on behalf of the Co-operative for all or any part of those proceedings. The Co-operative was not a party to any such proceedings during the year.

Auditor's independence declaration

The auditor's independence declaration in accordance with section 307C of the *Corporations Act 2001* for the year ended 30 June 2024 has been received and can be found on page 5 of the financial report.

Signed in accordance with a resolution of the Directors.

Avoca District Co-operative Limited

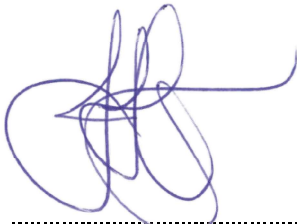

ABN: 82 022 501 598

Notes to the Financial Statements

For the Year Ended 30 June 2024

The financial report covers Avoca District Co-operative Limited as an individual entity. Avoca District Co-operative Limited is a Co-operative limited by shares, incorporated and domiciled in Australia and is a for-profit entity for financial reporting purposes under Australian Accounting Standards.

The functional and presentation currency of Avoca District Co-operative Limited is Australian dollars.

The financial report was authorised for issue by the Directors on 30 October 2024.

Comparatives are consistent with prior years, unless otherwise stated.

1 Basis of preparation

The financial statements are general purpose financial statements that have been prepared in accordance with Australian Accounting Standards - Simplified Disclosures and the requirements of the *Corporations Act 2001* and the *Co-operatives National Law*.

The financial statements, except for the cash flow information, have been prepared on an accruals basis and are based on historical costs modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and financial liabilities.

2 Summary of material accounting policies

(a) Comparative figures

When required by Accounting Standards, comparative figures have been adjusted to conform to changes in presentation for the current financial year.

(b) Property, plant and equipment

Each class of property, plant and equipment is carried at cost or fair value as indicated less, where applicable, any accumulated depreciation and impairment losses. The carrying amount of property, plant and equipment is reviewed annually by the directors to ensure it is not in excess of the recoverable amount from those assets.

Land and buildings are measured at cost less accumulated depreciation and impairment losses.

Plant and equipment are measured on the cost basis. Cost includes expenditure that is directly attributable to the asset.

Notes to the Financial Statements

For the Year Ended 30 June 2024

2 Summary of material accounting policies

(b) Property, plant and equipment

Depreciation

The depreciable amount of all fixed assets including buildings, but excluding freehold land, is depreciated over the asset's useful life to the Co-operative commencing from the time the asset is held ready for use.

The depreciation rates used for each class of depreciable assets are:

Class of Fixed Asset	Depreciation Rate
Buildings	2.5%
Furniture, Fixtures and Fittings	5-40%
Motor Vehicles	25-30%
Computer Equipment and Software	25-50%
Leasehold improvements	2.5-40%

The assets' residual values, depreciation methods and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Gains and losses on disposals are determined by comparing proceeds with the carrying amount. These gains and losses are included in the statement of profit or loss and other comprehensive income.

(c) Financial instruments

Financial assets

Classification

On initial recognition, the Co-operative classifies its financial assets, according to the basis on which they are measured, at amortised cost.

Financial assets are not reclassified subsequent to their initial recognition unless the Co-operative changes its business model for managing financial assets.

Amortised cost

Assets measured at amortised cost are financial assets where:

- the business model is to hold assets to collect contractual cash flows; and
- the contractual terms give rise on specified dates to cash flows are solely payments of principal and interest on the principal amount outstanding.

The Co-operative's financial assets measured at amortised cost comprise trade and other receivables and cash and cash equivalents in the statement of financial position.

Subsequent to initial recognition, these assets are carried at amortised cost using the effective interest rate method less provision for impairment.

Notes to the Financial Statements

For the Year Ended 30 June 2024

2 Summary of material accounting policies

(c) Financial instruments

Financial assets

Interest income, foreign exchange gains or losses and impairment are recognised in profit or loss. Gain or loss on derecognition is recognised in profit or loss.

Impairment of financial assets

Impairment of financial assets is recognised on an expected credit loss (ECL) basis for the following assets:

- financial assets measured at amortised cost

When determining whether the credit risk of a financial asset has increased significantly since initial recognition and when estimating ECL, the Co-operative considers reasonable and supportable information that is relevant and available without undue cost or effort. This includes both quantitative and qualitative information and analysis based on the Co-operative's historical experience and informed credit assessment and including forward looking information.

The Co-operative uses the presumption that an asset which is more than 30 days past due has seen a significant increase in credit risk.

The Co-operative uses the presumption that a financial asset is in default when:

- the other party is unlikely to pay its credit obligations to the Co-operative in full, without recourse to the Co-operative to actions such as realising security (if any is held); or
- the financial assets is more than 90 days past due.

Credit losses are measured as the present value of the difference between the cash flows due to the Co-operative in accordance with the contract and the cash flows expected to be received. This is applied using a probability weighted approach.

Trade receivables and contract assets

Impairment of trade receivables and contract assets have been determined using the simplified approach in AASB 9 which uses an estimation of lifetime expected credit losses. The Co-operative has determined the probability of non-payment of the receivable and contract asset and multiplied this by the amount of the expected loss arising from default.

The amount of the impairment is recorded in a separate allowance account with the loss being recognised in finance expense. Once the receivable is determined to be uncollectable then the gross carrying amount is written off against the associated allowance.

Where the Co-operative renegotiates the terms of trade receivables due from certain customers, the new expected cash flows are discounted at the original effective interest rate and any resulting difference to the carrying value is recognised in profit or loss.

Other financial assets measured at amortised cost

Impairment of other financial assets measured at amortised cost are determined using the expected credit loss model in AASB 9. On initial recognition of the asset, an estimate of the expected credit losses for the next 12 months is recognised. Where the asset has experienced significant increase in credit risk then the lifetime losses are estimated and recognised.

Notes to the Financial Statements

For the Year Ended 30 June 2024

2 Summary of material accounting policies

(c) Financial instruments

Financial liabilities

The Co-operative measures all financial liabilities initially at fair value less transaction costs, subsequently financial liabilities are measured at amortised cost using the effective interest rate method.

The financial liabilities of the Co-operative comprise trade payables, bank and other loans and finance lease liabilities.

(d) Impairment of non-financial assets

At the end of each reporting period, the Co-operative assesses whether there is any indication that an asset may be impaired. If such an indication exists, an impairment test is carried out on the asset by comparing the recoverable amount of the asset, being the higher of the asset's fair value less costs to sell and value in use, to the asset's carrying value. Any excess of the asset's carrying value over its recoverable amount is expensed to the statement of profit or loss and other comprehensive income.

(e) Intangibles

Franchise fees are measured at cost less amortisation and impairment losses. Amortisation is recognised in profit or loss on a straight-line basis over the estimated useful lives of intangible assets, other than goodwill, from the date that they are available for use.

Amortisation methods, useful lives and residual values are reviewed at each reporting date and adjusted if appropriate.

(f) Cash and cash equivalents

Cash and cash equivalents include cash on hand, deposits held at call with banks, other short-term highly liquid investments with original maturities of three months or less which are convertible to a known amount of cash and subject to an insignificant risk of change in value, and bank overdrafts. Bank overdrafts are shown within short-term borrowings in current liabilities on the statement of financial position.

(g) Leases

At inception of a contract, the Co-operative assesses whether a lease exists - i.e. does the contract convey the right to control the use of an identified asset for a period of time in exchange for consideration.

This involves an assessment of whether:

- The contract involves the use of an identified asset - this may be explicitly or implicitly identified within the agreement. If the supplier has a substantive substitution right then there is no identified asset.
- The Co-operative has the right to obtain substantially all of the economic benefits from the use of the asset throughout the period of use.
- The Co-operative has the right to direct the use of the asset i.e. decision making rights in relation to changing how and for what purpose the asset is used.

Notes to the Financial Statements

For the Year Ended 30 June 2024

2 Summary of material accounting policies

(g) Leases

Right-of-use asset

At the lease commencement, the Co-operative recognises a right-of-use asset and associated lease liability for the lease term. The lease term includes extension periods where the Co-operative believes it is reasonably certain that the option will be exercised.

The right-of-use asset is measured using the cost model where cost on initial recognition comprises of the lease liability, initial direct costs, prepaid lease payments, estimated cost of removal and restoration less any lease incentives received.

The right-of-use asset is depreciated over the lease term on a straight line basis and assessed for impairment in accordance with the impairment of assets accounting policy.

Lessee accounting

The lease liability is initially measured at the present value of the remaining lease payments at the commencement of the lease. The discount rate is the rate implicit in the lease, however where this cannot be readily determined then the Co-operative's incremental borrowing rate is used.

Subsequent to initial recognition, the lease liability is measured at amortised cost using the effective interest rate method. The lease liability is remeasured whether there is a lease modification, change in estimate of the lease term or index upon which the lease payments are based (e.g. CPI) or a change in the Co-operative's assessment of lease term.

Where the lease liability is remeasured, the right-of-use asset is adjusted to reflect the remeasurement or is recorded in profit or loss if the carrying amount of the right-of-use asset has been reduced to zero.

(h) Employee entitlements

Short-term employee benefits

Provision is made for the Co-operative's obligation for short-term employee benefits. Short-term employee benefits are benefits (other than termination benefits) that are expected to be settled wholly before 12 months after the end of the reporting period in which the employees render the related service, including wages, salaries, annual leave and long service leave.

The liability for annual leave and long service leave is recognised in the provision for employee benefits. All other short term employee benefit obligations are presented as payables. Provision is made for the Co-operative's liability for employee benefits arising from services rendered by employees to the end of the reporting period. Employee benefits that are expected to be wholly settled within one year have been recorded as current liabilities in the statement of financial position and are measured at the amounts expected to be paid when the liability is settled, plus related on-costs.

Long-term employee benefits

Provision is made for the Co-operative's obligation for long-term employee benefits. Long-term employee benefits are benefits not expected to be settled wholly within 12 months after the end of the reporting period in which the employees render the related service including annual leave and long service leave. Long-term employee benefits are measured at the present value of the expected future payments to be made to employees. Expected future payments incorporate anticipated future wage and salary levels, durations of service

Notes to the Financial Statements

For the Year Ended 30 June 2024

2 Summary of material accounting policies

(h) Employee entitlements

and employee departures and are discounted at rates determined by reference to market yields at the end of the reporting period on government bonds that have maturity dates that approximate the terms of the obligations. Any remeasurement for changes in assumptions of obligations for other long-term employee benefits are recognised in profit or loss in the periods in which the changes occur.

The company's obligations for long-term employee benefits are presented as non-current provisions in its statement of financial position, except where the company does not have an unconditional right to defer settlement for at least 12 months after the end of the reporting period, in which case the obligations are treated as short-term employee benefits and are presented as current provisions.

In the prior year the Co-operative had recorded a provision for sick leave entitlements on behalf of employees. No amount has been provided for in the current year as the obligation to meet the obligation only arises at the point in time that an employee accesses the leave entitlements and as a result the amounts form part of the normal employment expenses of the Co-operative.

(i) Provisions

Provisions are recognised when the Co-operative has a legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured.

(j) Revenue and other income

The core principle of AASB 15 is that revenue is recognised on a basis that reflects the transfer of promised goods or services to customers at an amount that reflects the consideration the Co-operative expects to receive in exchange for those goods or services. Revenue is recognised by applying a five-step model as follows:

1. Identify the contract with the customer
2. Identify the performance obligations
3. Determine the transaction price
4. Allocate the transaction price to the performance obligations
5. Recognise revenue as and when control of the performance obligations is transferred

All revenue is stated net of the amount of goods and services tax (GST).

Revenue from contracts with customers

The Co-operative has in place franchise agreements with Bendigo & Adelaide Bank Limited. The Co-operative delivers banking and financial services of Bendigo & Adelaide Bank Limited to the community. The franchise agreement provides for a share of interest, fee and commission revenue earned under the agreement. Interest margin is based on a funds transfer pricing methodology which recognises that income is derived from deposits held, and that loans granted incur a funding cost. Fees are based on the Co-operative's current fee schedule and commissions are based on the agreements in place. All margin revenue is recorded as non-interest income when the Co-operative's right to receive payment is established.

The Co-operative acts as an agent under the franchise agreement and revenue arises from the rendering of services through its franchise agreement.

Notes to the Financial Statements

For the Year Ended 30 June 2024

2 Summary of material accounting policies

(j) Revenue and other income

Revenue is recognised on an accruals basis, at the fair value of consideration specified in the franchise agreement. Under AASB 15 *Revenue from Contracts with Customers*, revenue recognition for the Co-operative's revenue stream is as follows:

<u>Revenue</u>	<u>Includes</u>	<u>Performance obligation</u>	<u>Timing of recognition</u>
Franchise agreement profit share	Margin, commission and fee income	When the Co-operative satisfies its obligation to arrange for the services to be provided to the customer by the franchisor	On completion of the provision of the relevant service. Revenue is accrued monthly and paid within 10 business days after the end of each month.

Revenue calculation

The franchise agreement provides that three forms of revenue may be earned by the Co-operative - margin, commission and fee income. Bendigo & Adelaide Bank Limited decides the form of revenue the Co-operative earns on different types of products and services.

The revenue earned by the Co-operative is dependent on the business that it generates. It may also be affected by other factors, such as economic and local conditions, for example, interest rates.

Margin

Margin is arrived at through the following calculation:

- interest paid by customers on loans less interest paid to customers on deposits,
- plus any deposit returns i.e. interest return applied by Bendigo & Adelaide Bank Limited,
- minus any costs of funds i.e. interest applied to fund a loan.

The Co-operative is entitled to a share of the margin earned by Bendigo & Adelaide Bank Limited. If the margin is a loss, the Co-operative incurs a share of that loss.

Commission

Commission revenue is in the form of commission generated for products and services sold. The commission revenue is recognised at a point in time which reflects when the Co-operative has fulfilled its performance obligation.

The Co-operative receives upfront and trailing commission for products and services sold. The upfront commission is recognised when the performance obligation has been met. Ongoing trailing commissions are recognised on receipt as there is insufficient detail readily available to estimate the most likely amount of income without a high probability of significant reversal in a subsequent reporting period. The receipt of ongoing trailing commission income is outside the control of the Co-operative and is a significant judgement area.

Fee income

Fee income is a share of what is commonly referred to as 'bank fees and charges' charged to customers by Bendigo & Adelaide Bank Limited including fees for loan applications and account transactions.

Notes to the Financial Statements

For the Year Ended 30 June 2024

2 Summary of material accounting policies

(j) Revenue and other income

Core banking products

Bendigo & Adelaide Bank Limited has identified some products and services as 'core banking products'. It may change the products and services which are identified as core banking products by giving the company at least 30 days notice. Core banking products currently include Bendigo & Adelaide Bank Limited branded home loans, term deposits and at call deposits.

Ability to change financial return

Under the franchise agreement, Bendigo & Adelaide Bank Limited may change the form and amount of financial return that the Co-operative receives. The reasons it may make a change include changes in industry or economic conditions or changes in the way Bendigo & Adelaide Bank Limited earns its revenues.

The change may be to the method of calculation of margin, the amount of the margin, commission and fee income or a change of a margin to a commission or vice versa. This may affect the amount of revenue the Co-operative receives on a particular product or service. The effect of the change on the revenue earned by the Co-operative is entirely dependent on the change.

Bendigo & Adelaide Bank Limited must not reduce the margin and commission the company receives on core banking products and services to less than 50% (on an aggregate basis) of Bendigo & Adelaide Bank Limited's margin at that time. For other products and services there is no restriction on the change Bendigo & Adelaide Bank Limited may make.

Other income

The Co-operative's activities include generation of income from sources other than the core products under the franchise agreement. Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Co-operative and can be reliably measured.

Revenue

Revenue recognition policy.

Dividend and distribution income Dividend and distribution income is recognised when the right to receive the payment is established.

Discretionary financial contributions (Market Development Fund) Market development fund income is recognised when the right to receive the payment is established. Market development fund income is discretionary and provided and receivable at month-end and paid within 14 days after month-end.

Government stimulus Government stimulus is comprised of cash flow boost amounts and are recognised when the right to the payment is established (e.g. monthly or quarterly in the activity statement).

Other income All other revenues that did not contain contracts with customers are recognised as the goods and services are provided.

Discretionary financial contributions

In addition to margin, commission and fee income, and separate from the franchise agreement, Bendigo Bank & Adelaide Bank Limited has also made Market Development Fund (MDF) payments to the Co-operative. The amount has been based on the volume of business attributed to a branch. The purpose of the discretionary payments is to assist with local market development activities, including community sponsorships and grants. It is for the board to decide how to use the MDF revenue.

Notes to the Financial Statements

For the Year Ended 30 June 2024

2 Summary of material accounting policies

(j) Revenue and other income

The payments from Bendigo & Adelaide Bank Limited are discretionary and may change the amount or stop making them at any time. The Co-operative retains control over the funds, the funds are not refundable to Bendigo & Adelaide Bank Limited.

(k) Income tax

The income tax expense (revenue) for the year comprises current income tax expense (income) and deferred tax expense (income). Current income tax expense charged to the profit or loss is the tax payable on taxable income calculated using applicable income tax rates enacted, or substantially enacted, as at the end of the reporting period. Current tax liabilities (assets) are therefore measured at the amounts expected to be paid to (recovered from) the relevant taxation authority.

Deferred tax assets and liabilities are ascertained based on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. Deferred tax assets also result where amounts have been fully expensed but future tax deductions are available. No deferred income tax will be recognised from the initial recognition of an asset or liability, excluding a business combination, where there is no effect on accounting or taxable profit or loss.

Deferred tax assets and liabilities are calculated at the tax rates that are expected to apply to the period when the asset is realised or the liability is settled, based on tax rates enacted or substantively enacted at the end of the reporting year. Their measurement also reflects the manner in which management expects to recover or settle the carrying amount of the related asset or liability.

Deferred tax assets relating to temporary differences and unused tax losses are recognised only to the extent that it is probable that future taxable profit will be available against which the benefits of the deferred tax asset can be utilised.

(l) Goods and services tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Tax Office. In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and payables in the statement of financial position are shown inclusive of GST.

Cash flows are presented in the statement of cash flows on a gross basis, except for the GST component of investing and financing activities, which are disclosed as operating cash flows.

Notes to the Financial Statements

For the Year Ended 30 June 2024

3 Critical accounting estimates and judgments

The directors make estimates and judgements during the preparation of these financial statements regarding assumptions about current and future events affecting transactions and balances. These estimates and judgements are based on the best information available at the time of preparing the financial statements, however as additional information is known then the actual results may differ from the estimates.

The significant estimates and judgements made have been described below.

Key estimates - estimated useful life and impairment of assets

The Co-operative determines the estimated useful lives and related depreciation and amortisation charges for its property, plant and equipment and intangible assets. The required depreciation and amortisation charges will increase where useful lives are less than previously estimated.

The Co-operative assesses impairment of assets at the end of each reporting period by evaluating the conditions and events specific to the Co-operative that may be indicative of impairment triggers. Recoverable amounts of relevant assets are reassessed using value in use calculations which incorporate assumptions of the economic benefits expected to be received through the use of the assets.

Key estimates - employee benefit provisions

The Co-operative uses estimates to determine the current value of future obligations for employee benefits. The estimates are based on assumptions of future wage growth and consumer price index movements. The likelihood of employees reaching a period of service resulting in the employee benefits becoming unconditional and when an employee benefit obligation is likely to be settled are also estimated.

Key estimates - revenue recognition

The Co-operative exercises judgement in determining the amounts and timing of revenue to be recognised in the reporting period in accordance with the accounting policies.

Key estimates - lease classification

The Co-operative exercises judgement in determining;

- whether a contract is or contains a lease;
- whether the Co-operative has a right to direct use of the identified asset;
- whether the Co-operative obtains substantially all the economic benefit from the use of the asset;
- whether the Co-operative is reasonably certain to exercise extension options; and
- the discount rate, where the implicit rate cannot be readily determined.

Key estimates - income tax

The Co-operative is subject to income tax and significant judgement is required in determining the recognition of deferred tax assets. Deferred tax assets are only recognised which it is considered sufficient future profits will be generated to make use of the deferred tax asset. The estimates of future profits is based on the Co-operative's assessment of expected future cash flows.

21 Leases

Co-operative as a lessee

The Co-operative has operating leases over the branch premises in Avoca, Maryborough and St Arnaud and for the St Arnaud Railway. Lease payments are increased on an annual basis in line with the consumer price index or terms of the lease agreement. The option under the existing lease for the Maryborough branch was exercised for a term of 1 year effective from 1 November 2023. The lease for the St Arnaud Railway commenced on 1 July 2019 and a sub-lease was entered into with the St Arnaud Raillery Hub Inc. who pay the Co-operative amounts equal to the lease payments. A new lease was entered into for the St Arnaud agency commencing 1 March 2024 for a term of 1 year and 11 months.

Notes to the Financial Statements

For the Year Ended 30 June 2024

	2024	2023
	\$	\$
23 Dividends		
(a) Dividends and distributions paid		
Final franked ordinary dividends of \$2.00 per share (2023: \$1.00 per share) were paid or provided for during the year	39,092	19,626
Final franked ordinary dividends paid relating to prior years	-	60
	<u>39,092</u>	<u>19,686</u>

Franked dividends declared or paid during the year were franked at the tax rate of 25% (2023: 25%).

(b) Franking account

The franking credits available for subsequent financial years	<u>419,976</u>	<u>356,656</u>
---	----------------	----------------

The above available balance is based on the dividend franking account at year end adjusted for franking credits that will arise from the payment of the current tax liabilities and franking debits that will arise from the payment of dividends recognised as a liability at the year end. The ability to use the franking credits is dependent upon the Co-operatives future ability to declare dividends.

24 Segment reporting

The economic entity operates community bank branches of the Bendigo & Adelaide Bank Limited in the Avoca and Maryborough districts together with an agency of the Bendigo & Adelaide Bank Limited in the St Arnaud district.

25 Economic dependency

The normal trading activities of the Co-operative (which undertakes the branch activities of the Bendigo & Adelaide Bank in the Avoca and Maryborough districts) rely on the franchise contracts with the Bendigo & Adelaide Bank Group.

28 Contingent liabilities and contingent assets

In the opinion of the Directors, the Co-operative did not have any contingent assets or liabilities at 30 June 2024 or 30 June 2023.

29 Capital commitments

The Co-operative has a capital commitment to purchase new premises at 120 High Street, Maryborough. A contract to purchase the building for \$325,000 was entered into on 2 June 2024. The deposit paid of \$29,545 was recognised as an addition to land and buildings in these financial statements. Settlement of the property has since taken place and the balance of the purchase price of \$295,455 was paid on 13 August 2024.

30 Events occurring after the reporting date

The financial report was authorised for issue on 30 October 2024 by the board of directors.

No matters or circumstances have arisen since the end of the financial year which significantly affected or may significantly affect the operations of the Co-operative, the results of those operations, or the state of affairs of the Co-operative in future financial years.

Consolidated Entity Disclosure Statement

For the year ended 30 June 2024

The Co-operative has no controlled entities and, therefore, is not required by Australian Accounting Standards to prepare consolidated financial statements. As a result, section 295(3A)(a) of the *Corporations Act 2001* does not apply to the entity.

Avoca District Co-operative Limited

ABN: 82 022 501 598

Directors' Declaration

The directors of the Co-operative declare that:

1. the financial statements and notes for the year ended 30 June 2024 as set out on pages 6 to 33 are in accordance with the *Corporations Act 2001* and:
 - a. comply with Australian Accounting Standards - Simplified Disclosures; and
 - b. give a true and fair view of the financial position and performance of the Co-operative as at 30 June 2024 and of the performance for the year ended on that date;
2. in the directors' opinion, the consolidated entity disclosure statement is true and correct.
3. in the directors' opinion, there are reasonable grounds to believe that the Co-operative will be able to pay its debts as and when they become due and payable.

This declaration is made in accordance with a resolution of the Directors.

Avoca District Co-operative Limited

Independent Audit Report to the members of Avoca District Co-operative Limited

Opinion

We have audited the financial report of Avoca District Co-operative Limited (the Co-operative), which comprises the statement of financial position as at 30 June 2024, the statement of profit or loss and other comprehensive income, the statement of changes in equity and the statement of cash flows for the year then ended, and notes to the financial statements, including a summary of material accounting policies, the consolidated entity disclosure statement and the directors' declaration.

In our opinion, the accompanying financial report of the Co-operative is in accordance with the *Corporations Act 2001*, including:

- i. giving a true and fair view of the Co-operative's financial position as at 30 June 2024 and of its financial performance for the year ended; and
- ii. complying with Australian Accounting Standards - Simplified Disclosures and the *Corporations Regulations 2001*.

Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of our report. We are independent of the Co-operative in accordance with the auditor independence requirements of the *Corporations Act 2001* and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We confirm that the independence declaration required by the *Corporations Act 2001*, which has been given to the directors of the Co-operative, would be in the same terms if given to the directors as at the time of this auditor's report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Directors for the Financial Report

The directors of the Co-operative are responsible for the preparation of:

- a) the financial report (other than the consolidated entity disclosure statement) that gives a true and fair view in accordance with Australian Accounting Standards - Simplified Disclosures and the *Corporations Act 2001* and is appropriate to meet the needs of the members; and
- b) the consolidated entity disclosure statement that is true and correct in accordance with the *Corporations Act 2001*; and

for such internal control as the directors determine is necessary to enable the preparation of:

- i. the financial report (other than the consolidated entity disclosure statement) that gives a true and fair view and is free from material misstatement, whether due to fraud or error; and
- ii. the consolidated entity disclosure statement that is true and correct and is free from misstatement, whether due to fraud or error.

In preparing the financial report, the directors are responsible for assessing the Co-operative's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Co-operative or to cease operations, or have no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of the Financial Report

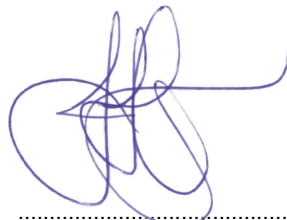

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Co-operative's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.
- Conclude on the appropriateness of the directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Co-operative's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Co-operative to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
