COMMUNITY BANK MODEL

The community bank model is our point of difference from other banks.

We are unique in that the profits generated by our customers are reinvested into the community.

The model is very simple – the more people we have banking with us, the more profits we can put back into the Avoca, Maryborough and St Arnaud region.

The Avoca District Co-operative Ltd (ADCL), who holds the Bendigo Bank franchise, is managed by a board of volunteer Directors.

They govern the branch on behalf of our members and work with community groups to distribute the banking profits through our community investment.

PROGRAM DETAILS

Funds Available

Our grant program is unique in that it does not impose a dollar limit on applications. Whether your initiative requires a substantial investment or just a modest amount, we welcome you to apply. This flexibility allows us to support a wide range of projects, ensuring that impactful ideas receive the necessary funding to thrive.

If you are concerned that not all aspects of your project will be funded, please itemise the budget into stages and specify which components are most urgent. While larger programs are less likely to be funded, we will consider substantial legacy projects if they demonstrate exceptional quality and potential impact.

PROGRAM ELIGIBILITY

Who is eligible to apply for a Grant?

To be eligible for a Grant, applicants must meet the following criteria:

- Must be a Not for profit, non-government organisation with a valid ABN or be a group that is partnered* by such an organisation.
- Must be a current Bendigo Bank customer (domiciled in Avoca, Maryborough or St Arnaud), or willing to become a Bendigo Bank customer (unless special conditions apply).
- Must be based in or servicing the Avoca, Maryborough and St Arnaud region.
- Must have made contact with the Executive Officer prior to submitting an application via secretary@avocacoop.com.au or 0411 234 800.

Who is not eligible to apply for a Grant?

- Individuals or unincorporated organisations without an eligible project partner*
- For-profit organisations.
- Previously funded groups who have not successfully acquitted their project.
- Funding to repay costs already incurred.
- Funds are not intended to support 'business' costs, such as staff salaries (personnel costs) and general operating costs. Nor will they be offered if the entity is totally dependent on our support to ensure its continuity.
- Activities that are sporting, social or recreational. (These activities **may** instead be funded via our sponsorship program) Some exceptions may apply, for example:
 - Advancement of education – in connection with programs run at schools or universities.
 - Infrastructure projects such as club rooms/pavilions/ovals which are also used by non-sporting groups (letters of support will be required).
 - Sporting programs or equipment for disabled or disadvantaged groups
 - Free community events with a broad community benefit.

*PROJECT PARTNERS

If your organisation wishes to apply for a grant but is deemed ineligible, it needs to establish a relationship with an eligible organisation (project partner) and work with them to deliver the project.

The project partner must confirm that they:

- Support the project;
- Will receive the funds on behalf of the applicant;
- Apply the funds to the project; and
- Detail how they are adding value to the project.

Notable groups that need project partner support of their State governing body include Scouts and emergency services organisations (fire brigades). This is simple for the local group to arrange and the Foundation can assist if needed.

Finally, government entities usually can't be funded directly and generally need a project partner. Please contact the Foundation on 1300 304 541 to discuss before submitting an application.

Applications should align to at least one of the 5 key pillars:

Improving and sustaining our region

ASSESSMENT CRITERIA

Applications will be competitively assessed against the following merit criteria:

Criterion 1: Community Impact (60%)

- The extent to which the proposed project supports the Community Impact Strategy and aligns with one or more of the 5 Key Pillars (projects only need to meet one pillar to be eligible)
- Community impact and/or, longevity.

- The proposed project is realistic and achievable.
- The budget is reasonable and reflects good value.

HOW TO APPLY FOR A GRANT

Before applying, you must read and understand these guidelines.

You can submit multiple applications for funding in the same grant program.

However, you cannot apply for multiple projects in the same application form unless they are directly related. Each separate project requires its own application. We will only accept one application per project.

If you are worried that not all aspects of your project will be funded, please ensure you **itemise the budget** into stages and describe which components are most urgent to your organisation.

To apply, an applicant must complete and submit an online application using our application portal by the due date.

The portal can be accessed at the following link:

<https://communitybankavocamaryborough.smartygrants.com.au>

A confirmation email will be sent to the registered email address once an application has been submitted.

Please note: To ensure a fair process, late applications **will not** be accepted, and extensions cannot be provided.

We may contact you during the assessment process to request more information, evidence or to clarify information provided in your grant application.

The Community Grant Program is administered by the Community Bank Avoca, Maryborough and St Arnaud through the support of the Community Enterprise Foundation™, and made possible by the people who bank with Bendigo Bank's Community Bank Avoca, Maryborough and St Arnaud.
