Community Impact Snapshot

Buninyong & District Financial Services Ltd.

Our Vision

A thriving, resilient and inclusive Buninyong and district.

Our Purpose

We exist to build connections, facilitate conversations and leverage the resources of our community partners.

Welcome from the Chair

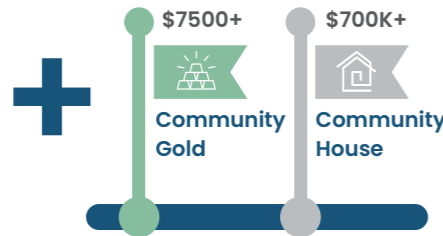

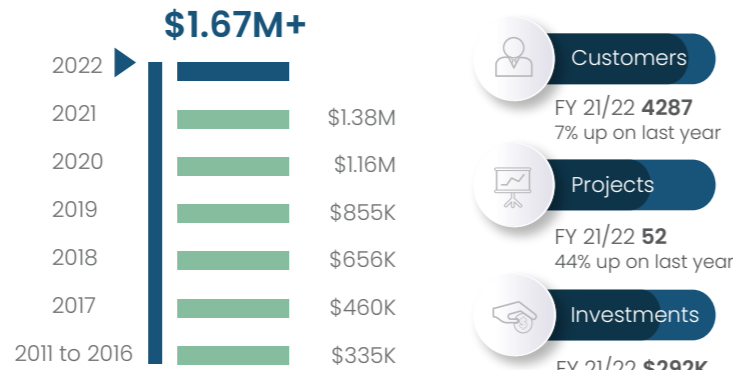

- Ian Corcoran

Our Board operates a banking business under the Bendigo Bank banner to make profit for reinvesting back into the local community. The 2021/2022 period has been a year worthy of celebration. A major project was the completion of the Warrenheip Street redevelopment bringing transformational change for Buninyong. We welcomed the City of Ballarat mobile library service back to the Community House and collaborated with organisations such as Federation University, Committee for Ballarat, Phoenix College and the Victoria Police Blue Edge program.

More recently, we celebrated winning at the Federation University Commerce Ballarat Business Excellence Awards in the WIN TV Customer Service and Cafs Social Change Maker categories.

Our future Community Investment strategy will reflect a more deliberate and purposeful approach to community development.

Cumulative Distribution of Investment

12 Twelve Years Supporting Community Sustainability

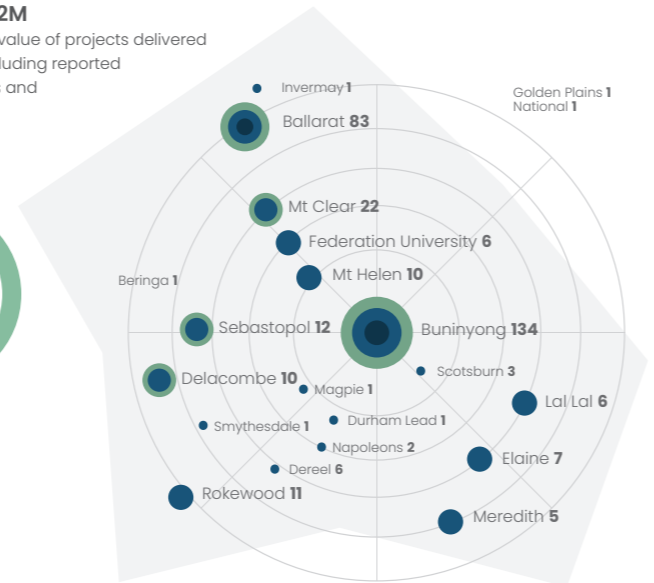

Empowering our Community

The Community Bank Business Model creates shared value for all stakeholders – community, customers, shareholders, employees and the environment. As such our Community Bank is a franchise of Bendigo Bank owned by members of the local community.

Directors of our Buninyong community-owned company are volunteers, working in the interests of their community.

Community investment is the visible demonstration of our company's purpose. As up to 80% of our profits are invested into communities we see transformation, growth, a flourishing of hope and opportunity.

Community Impact Story

We are such big fans of Honey the Storybook Dog (and her sister in-training; Maple). We love supporting the Story Dogs Program to ensure local kids receive the gift of literacy and a life-long love of reading.

Honey and her human pal Jacqui spend time helping children at Buninyong Primary School and in 2021 they also regularly visited Emmaus Catholic Primary School.

She even filmed a segment for the TV show House of Wellness with her little friends from Emmaus.

Jacqui and the dogs often pop into the branch just to say hello and were even part of our business awards judging process.

For more information about our Community Investment Program, eligibility criteria and/or to apply please visit our website.

Community Impact Story Bank

Read stories about projects we've funded and how they've enriched our local area and contributed towards a thriving community.
