Community Bank · Emerald & District

You're Invited

It will be exciting times in Emerald when our new branch opens on **Tuesday 10 September!**

Community Bank Emerald & District will open its doors and welcomes everyone to come and join in the celebrations which will continue throughout the week with some special giveaways and the opportunity to join a bank that gives back to its community. See your invitation to the opening on the reverse side of this flyer.

Dandenong Ranges Community Finance Limited Chair, Deb Weber said "we are ready to invite existing customers and new ones to our new branch in Emerald at the start of September. It's been a very busy few months organising the move from Cockatoo and the merger with the Emerald Agency to provide, what we hope will be, the bank of choice for everyone in the area."

Community

For nearly 26 years, Community Banks have been giving back to their communities across Australia. As the second company to form under this model back in 1998, we're proud to be a part of this tradition.

So far we have supported **local** groups, organisations, and shareholders with over **\$6.7 million**. That's how Community Banks roll. When you do business with us, your community benefits.

Meet the Lending Team

Whether you're ready to move your business to **Community Bank Emerald & District** (proudly part of Bendigo Bank), just starting to research the property market and need some advice, or actively house hunting and ready to secure your dream home, we're here to help every step of the way

Pictured left to right, our lending team includes:

- Josie Trujillo: Customer Relationship Manager,
- Susan Tresidder: Home Lending Specialist,
- Andrew Gardner: Business Development Manager,
