Chairman's Report

For the year ended 30 June 2024

Again, it is a pleasure to submit our Annual Report after another year banking and living in paradise.

The Board of Harbord Financial Services Ltd are proud after a very strong year to announce a gross profit of \$928,000, an indication of the acumen, diligence, and direction of the Board and all the staff. This has enabled us to pay off our loans on our premises and office on 27 May 2024.

Yes, we now own \$2.8 million in property assets outright.

Dividend results / Community

Accordingly, the Board has decided to pay a 10 cent per share dividend fully franked for the year ended 30 June 2024.

The Board has still been able to generously contribute a total of \$190,384 made up of \$70,714 in Donations, \$20,000 Community Grants and \$99,670 in Community Partnership, and I refer you to the list for details of the groups we support.

I might add that we are very proud of our gift of \$42,000 for a bus to the Adolescent and Young Adult Hospice Manly and \$19,000 to the Northern Beaches Women's Shelter Manly, and we look forward to ongoing support from these and other charities.

Scholarship / Tertiary funding

Our 12th year of the Tertiary Scholarship Scheme has continued to be very well accepted and appreciated.

With the direction of Simmone and Peter Harley we have a budget of \$50,000 to invest in the academic future of our youth in eight High schools in our area in the form of our Ken Ward Memorial Scholarship program.

2024 Ken Ward Memorial Scholarship recipient:

• Sienna Cheesman NBSC Freshwater Senior Campus

2024 Individual recipients:

Directors and Ambassadors

The whole community and I thank the Board for your incredible expertise, commitment and cooperation which has enabled us to achieve this extremely positive result for the company and our great community. It was an absolute pleasure to work with you all.

I accordingly thank Directors Ian Greentree, David Irvine, Martin Brook, Noela Roberts, Denise Goldstein, Peter Harley, Tony Bevan, Julie Rigoni and Violet Warner and our Ambassadors John Vaccaro, Sandra Kleiner, for their service.

These Directors will be retiring by rotation, and I ask you to support Noela Roberts, Denise Goldstein, Peter Harley, and Julie Rigoni for re-election as Directors to the Board.

Staff

Led by Kasey our Branch Operations Manager, Kerryn, Roberta, Michael, Sage, Callan, and Simmone our Executive assistant, the staff will continue to give that special point of difference, service, and support that makes us truly unique.

The Bendigo Bank (BEN) consumer banking model is changing and so must we accordingly. Digital dinosaurs like your Chair, with the help of our caring staff, are being trained in the online / digital banking process, a service available to all our customers. Please use it. We will also be offering courses and information to help with education about cyber and transactional fraud at our branch facilities in the new year.

Banking hours haven't changed, and the Board is still committed to offering a convenient, personal, and complete Banking service to all our customers. An example of this has been Michael Sims's position as our Business Development Manager, which this year has offered our customers a personal, good, complete, and experienced (20+ years) service in all forms of lending / borrowing. I absolutely recommend Michael, and please use him as myself and family do.

Banking is a team business; Bendigo Bank are our franchisor, and we are grateful for the support and expertise given by Business Development Manager Michael Sims, BEN Regional Mobile Lender Christine Frankham, our BEN Regional Manager Tom Woods and BEN State Manager Brendan Hendry.

We wish to acknowledge our Lead Auditors Anthony & Lucy, Andrew, Lachie, Marcus, and Jessica, along with Joshua, Jayde, Bec and Bree who manage the AFS Share Registry.

This is our second very positive result after the rises in business confidence and margin rates and with the support of the shareholders, Directors, Ambassadors, Staff, and our customers we look forward to sustained profit and commitment and special contributions to our great community.

Finally, I thank you all for the privilege of serving this great community of ours.

Trevor Sargeant - Chair 2024

Branch Operations Manager

I have the privilege as Branch Operations Manager of Community Bank Freshwater to report on the great success we have achieved over the last 12 months and contribute to what is our 23rd Annual Report.

Our focus as always remains around adding value to our existing customers while building new relationships in our community to ultimately grow our business.

It was another challenging year in a highly competitive financial market. Once again, we have witnessed record low lending rates for our borrowers while trying to keep our retired and deposit customers satisfied with low deposit rates.

Our results are a team effort and can be attributed to our passionate, customer connected branch staff of Kerryn & Roberta and EA to the Board, Simmone and we welcomed both Sage & Callan to the team. We are also pleased to welcome Michael Sims to the team who joins us after 20 years in business banking. During the year we said goodbye to Su-Ellen after nearly 19 years with the branch.

Our community contributions were again substantial with \$190,384 being returned to our local community through donations, community grants and sponsorships which makes a significant difference to numerous organisations. This is a very rewarding aspect to my role and something we are very proud of.

We continue to receive support from our franchisor Bendigo and Adelaide Bank Limited and our State Office team with which we have a close working relationship.

Our Board of Directors and Ambassadors dedicate many volunteer hours and work tirelessly in their roles to support me in my role as Branch Operations Manager and to ensure the ongoing success of our business. This group places our Community Bank in a unique position to be able to provide quality banking services to our community whilst producing great outcomes for our customers, shareholders, and sponsored organisations.

We look forward to serving you and yet another successful year and encourage all Shareholders who do not currently bank with us to give me a call and see how we can assist with your banking requirements.

Kasey Kaye

Branch Operations Manager

Business Development Manager

I was delighted to commence in the role of Business Development Manager at Community Bank Freshwater in September 2023.

Having worked as Bendigo Bank's Business Banking Manager on the Northern Beaches for the previous 20 years I was able to have a minor role in assisting Community Bank Freshwater achieve its success in engaging with and contributing to outstanding outcomes for the local community.

I am now able to devote my full efforts into those outcomes exclusively.

My first year at Community Bank Freshwater has seen good growth in our home loan book, referrals of new business customers and continued engagement with community groups.

My focus for the next twelve months will be to engage further with our community with a view to increasing our banking presence with the members of the groups we support.

I'd like to thank Kasey and the team at the branch for their continued support and the board for their tireless efforts and devotion they have for the benefit of the local community.

We would welcome any referrals from you so please help promote us to your family, friends, and business associates.

Business Development Manager

Community Bank Report 2024 BEN Message

This past year has been particularly significant for Bendigo Bank and the Community Bank network. After five years apart, we had the opportunity to come together in person and connect in Bendigo at our National Conference in September.

It was lovely to see so many familiar faces and to meet many directors who haven't attended previously. We feel proud to support such an amazing network.

We are committed to our strategy and the qualities that make Bendigo Bank unique, by staying true to our connection with communities, our regional roots, and our position as Australia's most trusted bank.

As Bendigo Bank adapts to the evolving digital landscape and changing customer expectations, the Community Bank Network is organically evolving in response.

Over the past 12 months, we have seen Community Bank companies seek to enhance their presence within their communities more than ever.

This has been through expanding or consolidating branch sites, collaborating with local, state, and national governments to support community initiatives, or by prioritising social value alongside financial performance through Social Trader accreditation.

The anniversary of the Community Bank model, along with changing environmental factors, provides an opportunity to reset and establish a clear pathway towards the next 25 years.

Bendigo Bank's purpose, to feed into the prosperity of communities, and our willingness to ensure our purpose is relevant to the needs of communities in which we are present, is a key contributor to our commercial success.

When we utilise our combined strengths, exercise our imaginations and have the courage to commit to creating our own opportunities, we will be the partner of choice for customers and communities regardless of location or cause.

Community, regional presence, and trust are the distinctive attributes of Bendigo Bank that we have maintained and plan to uphold in the future.

While Bendigo Bank emphasises commercial success, our foundation remains in community values. Our aim is to generate mutual value by providing solutions to local challenges.

On behalf of Bendigo Bank, thank you for being a shareholder in your local Community Bank. Your contribution helps foster economic growth, creates employment opportunities, and provides essential financial services to the members of your community.

Your dedication and support is making a positive impact on your community.

Justine Minne Head of Community Banking.

Community Bank network: celebrating 26 years of empowering communities

This year our Community Bank network celebrated 26 years of providing grassroots support to metro, regional, rural and remote communities across Australia. It's a milestone that has been widely applauded by our customers and partners who recognise the significant role we play in the lives of everyday Australians. We're there when it matters – whether that be as second responders in times of natural disaster, crisis and need; or as community builders, providing resources and support; help and hope.

In the 2022-23 financial year, our Community Bank network gave back more than \$32 million in grants, sponsorships and donations to local community projects and initiatives. Over 26 years, we have returned more than \$324 million to local communities for emergency services; facilities and infrastructure; sport and recreation; education and research; health and wellbeing; art, culture and heritage as well as environment and animal welfare.

As a shareholder in your local Community Bank, you are part of this incredible social enterprise network that is playing an ever-important role in the Australian economy. With close working relationships with local, state and federal government, peak governing bodies, clubs and community organisations, we are integrally connected and in tune with the needs of everyday Australians.

Our Community Bank network is a first mover in Australia with our unique social enterprise model. The first Community Bank opened its doors in 1998, and since then, the network has grown to 305 Community Bank branches. Today we represent a diverse cross-section of Australia with more than 215 community enterprises, 70,000+ shareholders, 1500+ volunteer directors, 1700 staff and 950,000 customers.

Our Community Bank National Council (CBNC) plays a pivotal role in these relationships. The CBNC consists of both elected and appointed members from every state and territory. The role of council is to represent the network with its partners and to engage in strategic planning that delivers positive outcomes for our business and our communities.

The 2024 - 2026 Community Bank National Council Strategic Plan has four key focus areas:

- Impact a planned, deliberate approach with investments that enhance community prosperity.
- Leadership and advocacy to ensure the long-term sustainability of our enterprises.
- Network alignment enabling us to develop and nurture partnerships that align with our defined areas of social impact.
- Commercial prosperity supporting the commercial success of our enterprises.

It is through this strategic plan, which has a foundation built on connection and collaboration, that we will deliver a strong, and secure future for our directors, shareholders, staff and the communities we serve.

Warm regards

Lauren Bean General Manager Community Bank National Council

There were no unissued ordinary shares of the company under option outstanding at the date of this report.

Shares issued on the exercise of options

There were no ordinary shares of the company issued on the exercise of options during the year ended 30 June 2024 and up to the date of this report.

Indemnity and insurance of directors and officers

The company has indemnified all directors and management in respect of liabilities to other persons (other than the company or related body corporate) that may arise from their position as directors or management of the company except where the liability arises out of conduct involving the lack of good faith.

Disclosure of the nature of the liability and the amount of the premium is prohibited by the confidentiality clause of the contract of insurance.

Proceedings on behalf of the company

No person has applied to the Court under section 237 of the *Corporations Act 2001* for leave to bring proceedings on behalf of the company, or to intervene in any proceedings to which the company is a party for the purpose of taking responsibility on behalf of the company for all or part of those proceedings.

No proceedings have been brought or intervened in on behalf of the company with leave of the Court under section 237 of the *Corporations Act 2001*.

Indemnity and insurance of auditor

The company has not, during or since the end of the financial year, indemnified or agreed to indemnify the auditor of the company or any related entity against a liability incurred by the auditor.

During the financial year, the company has not paid a premium in respect of a contract to insure the auditor of the company or any related entity.

Non-audit services

The company may decide to employ the auditor on assignments additional to their statutory duties where the auditor's expertise and experience with the company are important. Details of the amounts paid or payable to the auditor (Andrew Frewin Stewart) for audit and non-audit services provided during the year are set out in note 20 to the accounts.

The board has considered the non-audit services provided during the year by the auditor and is satisfied that the provision of the non-audit services is compatible with, and did not compromise, the auditor independence requirements of the *Corporations Act 2001* for the following reasons:

- all non-audit services have been reviewed by the Governance & Audit Committee to ensure they do not impact on the impartiality, integrity and objectivity of the auditor
- the non-audit services provided do not undermine the general principles relating to auditor independence as set out in
 APES 110 Code of Ethics for Professional Accountants, as they did not involve reviewing or auditing the auditor's own
 work, acting in a management or decision making capacity for the company, acting as an advocate for the company or
 jointly sharing risks and rewards.

Auditor's independence declaration

A copy of the auditor's independence declaration as required under section 307C of the *Corporations Act 2001* is set out immediately after this directors' report.

This report is made in accordance with a resolution of directors, pursuant to section 298(2)(a) of the Corporations Act 2001.

Note 1. Reporting entity

The financial statements cover Harbord Financial Services Limited (the company) as an individual entity, which is a for-profit entity for financial reporting purposes under Australian Accounting Standards.

The company is an unlisted public company limited by shares, incorporated and domiciled in Australia. Its registered office and principal place of business is:

Registered office

Principal place of business

Suite 1, 1-3 Moore Road Freshwater, NSW 2096

Shop 1, 9 Lawrence Street Freshwater, NSW 2096

A description of the nature of the company's operations and its principal activity is included in the directors' report, which is not part of the financial statements.

Note 2. Basis of preparation and statement of compliance

The financial statements are general purpose financial statements which have been prepared in accordance with Australian Accounting Standards and Interpretations adopted by the Australian Accounting Standards Board (AASB) and the *Corporations Act 2001*. The financial statements comply with International Financial Reporting Standards (IFRS) adopted by the International Accounting Standards Board (IASB). The financial statements have been prepared on an accrual and historical cost basis and are presented in Australian dollars, which is the company's functional and presentation currency.

The directors have a reasonable expectation that the company has adequate resources to pay its debts as and when they fall due for the foreseeable future. For these reasons, the directors continue to adopt the going concern basis of accounting in preparing the annual financial statements.

The financial statements were authorised for issue, in accordance with a resolution of directors, on 25 September 2024. The directors have the power to amend and reissue the financial statements.

Note 3. Material accounting policy information

The accounting policies that are material to the company are set out either in the respective notes or below. The accounting policies adopted are consistent with those of the previous financial year, unless otherwise stated.

Adoption of new and revised accounting standards

The company has adopted all of the new or amended Accounting Standards and Interpretations issued by the AASB that are mandatory for the current financial year. A description of the impact of new or amended Accounting Standards and Interpretations that have had a material impact on the company during the current financial year is outlined below:

AASB 2021-2 Amendments to Australian Accounting Standards – Disclosure of Accounting Policies and Definition of Accounting Estimates is mandatory for annual reporting periods beginning on or after 1 January 2023 and was adopted by the company in the preparation of the 30 June 2024 financial statements.

AASB 2021-2 includes amendments to AASB 101 *Presentation of Financial Statements*, requiring the company to disclose material accounting policy information in its financial statements rather than significant accounting policies which was required in previous financial years. Accounting policy information is material if it, when considered with other information, could reasonably be expected to influence decisions of primary users based on the financial statements.

Adoption of AASB 2021-2 has had no impact on the numerical information disclosed in the company's financial statements. Rather, adoption has required the company to remove significant accounting policy information from the notes to the financial statements that is not considered material.

Accounting standards issued but not yet effective

An assessment of accounting standards and interpretations issued by the AASB that are not yet mandatorily applicable to the company has been performed. No new or amended Accounting Standards or Interpretations that are not mandatory have been early adopted, nor are they expected to have a material impact on the company in future financial years.

Note 3. Material accounting policy information (continued)

Current and non-current classification

Assets and liabilities are presented in the statement of financial position based on current and non-current classification.

Impairment of financial assets

The company recognises a loss allowance for expected credit losses on financial assets which are either measured at amortised cost or fair value through other comprehensive income. The measurement of the loss allowance depends upon the company's assessment at the end of each reporting period as to whether the financial instrument's credit risk has increased significantly since initial recognition, based on reasonable and supportable information that is available, without undue cost or effort to obtain.

Where there has not been a significant increase in exposure to credit risk since initial recognition, a 12-month expected credit loss allowance is estimated. This represents a portion of the asset's lifetime expected credit losses that is attributable to a default event that is possible within the next 12 months. Where a financial asset has become credit impaired or where it is determined that credit risk has increased significantly, the loss allowance is based on the asset's lifetime expected credit losses. The amount of expected credit loss recognised is measured on the basis of the probability weighted present value of anticipated cash shortfalls over the life of the instrument discounted at the original effective interest rate.

Impairment of non-financial assets

At each reporting date, the company reviews the carrying amounts of its tangible assets and intangible assets to determine whether there is any indication those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of any impairment loss.

If the recoverable amount of an asset is estimated to be less than its carrying amount, the carrying amount of the asset is reduced to its recoverable amount. An impairment loss is recognised in profit or loss immediately.

Recoverable amount is the higher of an asset's fair value less costs of disposal and value-in-use. The value-in-use is the present value of the estimated future cash flows relating to the asset using a pre-tax discount rate specific to the asset or cash-generating unit to which the asset belongs. Assets that do not have independent cash flows are grouped together to form a cash-generating unit.

Note 4. Critical accounting judgements, estimates and assumptions

The preparation of the financial statements requires the directors to make judgements, estimates and assumptions that affect the reported amounts in the financial statements. The directors continually evaluate their judgements and estimates in relation to assets, liabilities, contingent liabilities, revenue and expenses.

The directors base their judgements, estimates and assumptions on historical experience and on other various factors, including expectations of future events that it believes to be reasonable under the circumstances. Differences between the accounting judgements and estimates and actual results and outcomes are accounted for in future reporting periods. The judgements, estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities (refer to the respective notes) within the next financial year are discussed below.

Judgements

Timing of revenue recognition associated with trail commission

The company receives trailing commission from Bendigo Bank for products and services sold. Ongoing trailing commission payments are recognised on a monthly basis when earned as there is insufficient detail readily available to estimate the most likely amount of revenue without a high probability of significant reversal in a subsequent reporting period. The receipt of ongoing trailing commission revenue is outside the control of the company.

Allowance for expected credit losses on trade and other receivables

The allowance for expected credit losses assessment requires a degree of estimation and judgement. It is based on the lifetime expected credit loss, grouped based on days overdue, and makes assumptions to allocate an overall expected credit loss rate for each group. These assumptions include recent sales experience and historical collection rates.

Note 4. Critical accounting judgements, estimates and assumptions (continued)

The company has not recognised an allowance for expected credit losses in relation to trade and other receivables for the following reasons:

- The company's trade receivables are limited to the monthly profit share distribution from Bendigo Bank, which is received 10 business days post month end.
- The credit risk (i.e. the risk that a customer will not make repayments) is for Bendigo Bank to bear as long as the company has complied with the appropriate procedures and relevant obligations and has not exercised a discretion in granting or extending credit. The directors are not aware of any such non-compliance at balance date.
- The company has reviewed credit ratings provided by Standard & Poors, Moody's and Fitch Ratings to determine the level of credit exposure to the company.
- The company has not experienced any instances of default in relation to receivables owed to the company from Bendigo Bank.

Impairment of non-financial assets

The company assesses impairment of non-financial assets other than goodwill and other indefinite life intangible assets at each reporting date by evaluating conditions specific to the consolidated entity and to the particular asset that may lead to impairment. If an impairment trigger exists, the recoverable amount of the asset is determined. This involves fair value less costs of disposal or value-in-use calculations, which incorporate a number of key estimates and assumptions. The directors did not identify any impairment indications during the financial year.

Recovery of deferred tax assets

Deferred tax assets are recognised for deductible temporary differences only if the company considers it is probable that future taxable amounts will be available to utilise those temporary differences and losses.

Estimates and assumptions

Estimation of useful lives of assets

The company determines the estimated useful lives and related depreciation and amortisation charges for its property, plant and equipment and finite life intangible assets. The useful lives could change significantly as a result of technical innovations or some other event. The depreciation and amortisation charge will increase where the useful lives are less than previously estimated lives or assets that have been abandoned or sold will be written off or written down.

Note 5. Economic dependency

The company has entered into a franchise agreement with Bendigo Bank that governs the management of the Community Bank. The company is economically dependent on the ongoing receipt of income under the franchise agreement with Bendigo Bank. The directors have no reason to believe a new franchise arrangement under mutually acceptable terms will not be forthcoming following expiry June 2027.

The company operates as a franchise of Bendigo Bank, using the name "Bendigo Bank" and the logo and system of operations of Bendigo Bank. The company manages the Community Bank on behalf of Bendigo Bank, however all transactions with customers conducted through the Community Bank are effectively conducted between the customers and Bendigo Bank.

All deposits are made with Bendigo Bank, and all personal and investment products are products of Bendigo Bank, with the company facilitating the provision of those products. All loans, leases or hire purchase transactions, issues of new credit or debit cards, temporary or bridging finance and any other transaction that involves creating a new debt, or increasing or changing the terms of an existing debt owed to Bendigo Bank, must be approved by Bendigo Bank. All credit transactions are made with Bendigo Bank, and all credit products are products of Bendigo Bank.

The company promotes and sells the products and services, but is not a party to the transaction.

The credit risk (i.e. the risk that a customer will not make repayments) is for Bendigo Bank to bear as long as the company has complied with the appropriate procedures and relevant obligations and has not exercised a discretion in granting or extending credit.

Note 5. Economic dependency (continued)

Bendigo Bank provides significant assistance in establishing and maintaining the Community Bank franchise operations. It also continues to provide ongoing management and operational support and other assistance and guidance in relation to all aspects of the franchise operation, including advice and assistance in relation to:

- the design, layout and fit out of the Community Bank premises
- training for the branch manager and other employees in banking, management systems and interface protocol
- methods and procedures for the sale of products and provision of services
- security and cash logistic controls
- calculation of company revenue and payment of many operating and administrative expenses
- the formulation and implementation of advertising and promotional programs
- sales techniques and proper customer relations
- providing payroll services.

Accounting policy for revenue from contracts with customers

The company has entered into a franchise agreement with Bendigo Bank. The company delivers banking and financial services of Bendigo Bank to its community. The franchise agreement provides for a share of interest, fee, and commission revenue earned by the company. Interest margin share is based on a funds transfer pricing methodology which recognises that income is derived from deposits held, and that loans granted incur a funding cost. Fees are based on the company's current fee schedule and commissions are based on the agreements in place. All margin revenue is recorded as non-interest income when the company's right to receive the payment is established.

The company acts as an agent under the franchise agreement and revenue arises from the rendering of services through its franchise agreement.

Revenue is recognised on an accruals basis, at the fair value of consideration specified in the franchise agreement, as follows:

Revenue stream	<u>Includes</u>	Performance obligation	Timing of recognition
Franchise agreement profit	Margin, commission, and fee	When the company satisfies	On completion of the provision
share	income	its obligation to arrange for the	e of the relevant service.
		services to be provided to the	Revenue is accrued monthly
		customer by the supplier	and paid within 10 business
		(Bendigo Bank as franchisor).	days after the end of each
			month.

All revenue is stated net of the amount of GST. There was no revenue from contracts with customers recognised over time during the financial year.

Revenue calculation

The franchise agreement provides that three forms of revenue may be earned by the company which are margin, commission and fee income. Bendigo Bank decides the form of revenue the company earns on different types of products and services. The revenue earned by the company is dependent on the business that it generates, interest rates and funds transfer pricing and other factors, such as economic and local conditions.

Note 6. Revenue from contracts with customers (continued)

Margin income

Margin income on core banking products is arrived at through the following calculation:

Interest paid by customers on loans less interest paid to customers on deposits

plus: any deposit returns i.e. interest return applied by Bendigo Bank for a deposit

minus: any costs of funds i.e. interest applied by Bendigo Bank to fund a loan.

The company is entitled to a share of the margin earned by Bendigo Bank. If this reflects a loss, the company incurs a share of that loss.

Commission income

Commission income is generated from the sale of products and services. This commission is recognised at a point in time which reflects when the company has fulfilled its performance obligation. Refer to Note 4 for further information regarding key judgements applied by the directors in relation to the timing of revenue recognition from trail commission.

Fee income

Fee income is a share of what is commonly referred to as 'bank fees and charges' charged to customers by Bendigo Bank including fees for loan applications and account transactions.

Core banking products

Bendigo Bank has identified some products and services as 'core banking products'. It may change the products and services which are identified as core banking products by giving the company at least 30 days notice. Core banking products currently include Bendigo Bank branded home loans, term deposits and at call deposits.

Ability to change financial return

Under the franchise agreement, Bendigo Bank may change the form and amount of financial return the company receives. The reasons it may make a change include changes in industry or economic conditions or changes in the way Bendigo Bank earns revenue.

The change may be to the method of calculation of margin, the amount of margin, commission and fee income or a change of a margin to a commission or vice versa. This may affect the amount of revenue the company receives on a particular product or service.

Bendigo Bank must not reduce the margin and commission the company receives on core banking products and services to less than 50% (on an aggregate basis) of Bendigo Bank's margin at that time. For other products and services, there is no restriction on the change Bendigo Bank may make.

Accounting policy for income tax

The income tax expense or benefit for the period is the tax payable on that period's taxable income based on the applicable income tax rate adjusted by the changes in deferred tax assets and liabilities attributable to temporary differences, unused tax losses and the adjustment recognised for prior periods, where applicable.

Accounting policy for current tax

Current tax assets and liabilities are measured at amounts expected to be recovered from or paid to the taxation authorities. It is calculated using tax rates and tax laws that have been enacted or substantively enacted by the reporting date.

Accounting policy for deferred tax

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised.

Accounting policy for property, plant and equipment

Property, plant and equipment are measured at cost or fair value as applicable, less accumulated depreciation and accumulated impairment losses. Historical cost includes expenditure that is directly attributable to the acquisition of the items.

Depreciation is calculated on a straight-line basis and diminishing value to write off the net cost of each item of property, plant and equipment over their expected useful lives as follows:

Buildings 40 years
Plant and equipment 2.5 to 20 years

The residual values, useful lives and depreciation methods are reviewed, and adjusted if appropriate, at each reporting date.

An item of property, plant and equipment is derecognised upon disposal or when there is no future economic benefit to the company. Gains and losses between the carrying amount and the disposal proceeds are taken to profit or loss.

Balance at 30 June 2024	6,044	32,531	38,575

Accounting policy for intangible assets

Intangible assets of the company relate to the franchise fees paid to Bendigo Bank which conveys the right to operate the Community Bank franchise.

Intangible assets are measured on initial recognition at cost. Subsequent expenditure is capitalised only when it increases the future economic benefits embodied in the specific asset to which it relates.

The franchise fees paid by the company are amortised over their useful life and assessed for impairment whenever impairment indicators are present.

The estimated useful life and amortisation method for the current and comparative periods are as follows:

Asset class	<u>Method</u>	<u>Useful life</u>	Expiry/renewal date
Franchise fee	Straight-line	Over the franchise term (5 years)	June 2027
Franchise renewal fee	Straight-line	Over the franchise term (5 years)	June 2027

Ordinary shares are recognised at the fair value of the consideration received by the company being \$1 per share. Any transaction costs arising on the issue of ordinary shares are recognised directly in equity as a reduction of the share proceeds received.

Rights attached to issued capital

Ordinary shares

Voting rights

Subject to some limited exceptions, each member has the right to vote at a general meeting.

On a show of hands or a poll, each member attending the meeting (whether they are attending the meeting in person or by attorney, corporate representative or proxy) has one vote, regardless of the number of shares held. However, where a person attends a meeting in person and is entitled to vote in more than one capacity (for example, the person is a member and has also been appointed as proxy for another member) that person may only exercise one vote on a show of hands. On a poll, that person may exercise one vote as a member and one vote for each other member that person represents as duly appointed attorney, corporate representative or proxy.

The purpose of giving each member only one vote, regardless of the number of shares held, is to reflect the nature of the company as a community based company, by providing that all members of the community who have contributed to the establishment and ongoing operation of the Community Bank branch have the same ability to influence the operation of the company.

Note 14. Issued capital (continued)

Dividends

Generally, dividends are payable to members in proportion to the amount of the share capital paid up on the shares held by them, subject to any special rights and restrictions for the time being attaching to shares. The franchise agreement with Bendigo Bank contains a limit on the level of profits or funds that may be distributed to shareholders. There is also a restriction on the payment of dividends to certain shareholders if they have a prohibited shareholding interest (see below).

Transfer

Generally, ordinary shares are freely transferable. However, the directors have a discretion to refuse to register a transfer of shares.

Subject to the foregoing, shareholders may transfer shares by a proper transfer effected in accordance with the company's constitution and the *Corporations Act 2001*.

Prohibited shareholding interest

A person must not have a prohibited shareholding interest in the company.

In summary, a person has a prohibited shareholding interest if any of the following applies:

- They control or own 5% or more of the shares in the company (the "5% limit").
- In the opinion of the board they do not have a close connection to the community or communities in which the company predominantly carries on business (the "close connection test").
- Where the person is a shareholder, after the transfer of shares in the company to that person the number of shareholders in the company is (or would be) lower than the base number (the "base number test"). The base number is 374. As at the date of this report, the company had 404 shareholders (2023: 403 shareholders).

As with voting rights, the purpose of this prohibited shareholding provision is to reflect the community-based nature of the company.

Where a person has a prohibited shareholding interest, the voting and dividend rights attaching to the shares in which the person (and their associates) has a prohibited shareholding interest in are suspended.

The board has the power to request information from a person who has (or is suspected by the board of having) a legal or beneficial interest in any shares in the company or any voting power in the company, for the purpose of determining whether a person has a prohibited shareholding interest. If the board becomes aware that a member has a prohibited shareholding interest, it must serve a notice requiring the member (or the member's associate) to dispose of the number of shares the board considers necessary to remedy the breach. If a person fails to comply with such a notice within a specified period (that must be between three and six months), the board is authorised to sell the specified shares on behalf of that person. The holder will be entitled to the consideration from the sale of the shares, less any expenses incurred by the board in selling or otherwise dealing with those shares.

In the constitution, members acknowledge and recognise that the exercise of the powers given to the board may cause considerable disadvantage to individual members, but that such a result may be necessary to enforce the prohibition.

Note 15. Capital management

The board's policy is to maintain a strong capital base so as to sustain future development of the company. The board monitor the return on capital and the level of distributions to shareholders. Capital is represented by total equity as recorded in the statement of financial position.

In accordance with the franchise agreement, in any 12 month period the funds distributed to shareholders shall not exceed the distribution limit.

Note 15. Capital management (continued)

The distribution limit is the greater of:

- 20% of the profit or funds of the company otherwise available for distribution to shareholders in that 12 month period;
- subject to the availability of distributable profits, the relevant rate of return multiplied by the average level of share capital of the company over that 12 month period where the relevant rate of return is equal to the weighted average interest rate on 90 day bank bills over that 12 month period plus 5%.

The board is managing the growth of the business in line with this requirement. There are no other externally imposed capital requirements, although the nature of the company is such that amounts will be paid in the form of charitable donations and sponsorship. Charitable donations and sponsorship paid for the financial year can be seen in the statement of profit or loss and other comprehensive Income.

There were no changes in the company's approach to capital management during the year.

Note 16. Dividends

Dividends provided for and paid during the period

The following dividends were provided for and paid to shareholders during the financial year as presented in the Statement of changes in equity and Statement of cash flows.

	2024 \$	2023 \$
Fully franked dividend of 10 cents per share (2023: 6 cents)	69,306	41,584
Franking credits	2024 \$	2023 \$
Franking account balance at the beginning of the financial year Franking credits (debits) arising from income taxes paid (refunded) Franking debits from the payment of franked distributions	248,015 312,067 (23,102) 536,980	248,581 13,295 (13,861) 248,015
Franking transactions that will arise subsequent to the financial year end: Balance at the end of the financial year Franking credits (debits) that will arise from payment (refund) of income tax Franking credits available for future reporting periods	536,980 193,576 730,556	248,015 278,732 526,747

The ability to utilise franking credits is dependent upon the company's ability to declare dividends. The tax rate at which future dividends will be franked is 25%.

Accounting policy for dividends

Dividends are recognised when declared during the financial year and no longer at the discretion of the company.

Note 17. Financial risk management

The company's financial instruments include trade receivables and payables, cash and cash equivalents, financial assets and borrowings. The company does not have any derivatives.

The directors are responsible for monitoring and managing the financial risk exposure of the company, to which end it monitors the financial risk management policies and exposures and approves financial transactions within the scope of its authority.

The directors have identified that the only significant financial risk exposures of the consolidated entity are liquidity and market (price) risk. Other financial risks are not significant to the company due to the following factors:

Note 17. Financial risk management (continued)

- The company has no foreign exchange risk as all of its account balances and transactions are in Australian Dollars.
- The company's franchise agreement limits the company's credit exposure to one financial institution, being Bendigo Bank. The company monitors credit worthiness through review of credit ratings, Bendigo Bank is rated A- on Standard & Poor's credit ratings.
- The company has no direct exposure to movements in commodity prices.
- The company's interest-bearing instruments are held at amortised cost which have fair values that approximate their carrying value since all cash and payables have maturity dates within 12 months.

Further details regarding the categories of financial instruments held by the company that hold such exposure are detailed below.

	2024 \$	2023 \$
Financial assets		
Trade and other receivables (note 10)	163,850	188,811
Cash and cash equivalents (note 9)	611,325	364,065

Trade and other payables (note 13)	64,178	84,431
Bank loans	7,214	279,102
	71,392	363,533

At balance date, the fair value of financial instruments approximated their carrying values.

Accounting policy for financial instruments

Financial Assets

Classification

The company measures its financial assets at amortised cost or fair value through profit or loss (FVTPL).

The company's financial assets measured at amortised cost comprise trade and other receivables and cash and cash equivalents.

The company's financial assets measured at FVTPL comprise financial assets.

The company's financial assets measured at FVTPL comprise investments in listed entities over which the company does not have significant influence nor control.

Derecognition

A financial asset is derecognised when the company's contractual right to its cash flows expires, or the asset is transferred in such a way that all the risks and rewards of ownership are substantially transferred.

Impairment of trade and other receivables

Impairment of trade receivables is determined using the simplified approach which uses an estimation of lifetime expected credit losses. The company has not recognised an allowance for expected credit losses in relation to trade and other receivables. Refer to note 4 for further information.

Financial liabilities

Classification

The company classifies its financial liabilities at amortised cost.

The company's financial liabilities measured at amortised cost comprise trade and other payables and bank loans.

Note 17. Financial risk management (continued)

Derecognition

A financial liability is derecognised then it is extinguished, cancelled or expires.

Market risk

Market risk is the risk that changes in market prices - e.g. foreign exchange rates, interest rates, and equity prices - will affect the company's income or the value of its holdings in financial instruments.

Interest-bearing assets and liabilities are held with Bendigo Bank and earnings on those are subject to movements in market interest rates. Interest-rate risk could also arise from long-term borrowings. Borrowings issued at variable rates expose the company to cash flow interest-rate risk. The company held cash and cash equivalents of \$611,325 at 30 June 2024 (2023: \$364,065).

As at the reporting date, the company had the following variable rate borrowings outstanding:

	2024 Weighted		2023 Weighted	
	average interest rate %	Balance \$	average interest rate %	Balance \$
Bank loans	8.28% _	7,214	6.15%	279,102
Net exposure to cash flow interest rate risk	=	7,214		279,102

An analysis by remaining contractual maturities is shown in 'liquidity risk' below.

Price risk

The company is not exposed to any significant price risk.

Liquidity risk

Liquidity risk is the risk that the company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The company's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the company's reputation.

The following are the company's remaining contractual maturities of financial liabilities. The contractual cash flow amounts are gross and undiscounted and therefore may differ from their carrying amount in the statement of financial position.

2024	1 year or less \$	Between 1 and 5 years \$	Over 5 years	Remaining contractual maturities \$
Bank loans	-	7,214	-	7,214
Trade and other payables	36,608	27,570	-	64,178

Accounting policy for earnings per share

Basic and diluted earnings per share is calculated by dividing the profit attributable to the owners of Harbord Financial Services Limited, by the weighted average number of ordinary shares outstanding during the financial year.

Note 23. Commitments

The company has no commitments contracted for which would be provided for in future reporting periods.

Note 24. Contingencies

There were no contingent liabilities or contingent assets at the date of this report.

Note 25. Events after the reporting period

No matter or circumstance has arisen since 30 June 2024 that has significantly affected, or may significantly affect the company's operations, the results of those operations, or the company's state of affairs in future financial years.

In the directors' opinion:

- the attached financial statements and notes comply with the *Corporations Act 2001*, the Accounting Standards, the *Corporations Regulations 2001* and other mandatory professional reporting requirements;
- the attached financial statements and notes comply with International Financial Reporting Standards as issued by the International Accounting Standards Board as described in the notes to the financial statements;
- the attached financial statements and notes give a true and fair view of the company's financial position as at 30 June 2024 and of its performance for the financial year ended on that date;
- there are reasonable grounds to believe that the company will be able to pay its debts as and when they become due and payable; and
- the company does not have any controlled entities and is not required by the Accounting Standards to prepare consolidated financial statements. Therefore, a consolidated entity disclosure statement has not been included as section 295(3A)(a) of the Corporations Act 2001 does not apply to the entity.

Signed in accordance with a resolution of directors made pursuant to section 295(5)(a) of the Corporations Act 2001.

Independent auditor's report to the Directors of Harbord Financial Services Limited

Report on the Audit of the Financial Report

Opinion

We have audited the financial report of Harbord Financial Services Limited (the company), which comprises:

- Statement of financial position as at 30 June 2024
- Statement of profit or loss and other comprehensive income for the year then ended
- Statement of changes in equity for the year then ended
- Statement of cash flows for the year then ended
- Notes to the financial statements, including material accounting policies
- The directors' declaration.

In our opinion, the accompanying financial report of Harbord Financial Services Limited, is in accordance with the *Corporations Act 2001*, including:

- i. giving a true and fair view of the company's financial position as at 30 June 2024 and of its financial performance for the year ended on that date; and
- ii. complying with Australian Accounting Standards and the Corporations Regulations 2001.

Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of our report.

We are independent of the company in accordance with the auditor independence requirements of the *Corporations Act 2001* and the ethical requirements of the Accounting Professional and Ethical Standards Board's *APES 110 Code of Ethics for Professional Accountants (including Independence Standards)* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Andrew Frewin Stewart 61 Bull Street Bendigo VIC 3550 ABN: 65 684 604 390 afs@afsbendigo.com.au 03 5443 0344

Other Information

The directors are responsible for the other information. The other information comprises the information included in the company's annual report for the year ended 30 June 2024, but does not include the financial report and our auditor's report thereon.

Our opinion on the financial report does not cover the other information and accordingly we will not express any form of assurance conclusion thereon.

In connection with our audit of the financial report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of the Directors for the Financial Report

The directors of the company are responsible for the preparation of the financial report that it gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of the financial report that is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatement can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

Andrew Frewin Stewart 61 Bull Street Bendigo VIC 3550 ABN: 65 684 604 390 afs@afsbendigo.com.au 03 5443 0344

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.
- Conclude on the appropriateness of the directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide the directors with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, actions taken to eliminate threats or safeguards applied.
