Independent auditor's review report to the Directors of Katherine Regional Enterprises Limited

Report on the half-year financial report

Conclusion

We have reviewed the half-year financial report of Katherine Regional Enterprises Limited (the company), which comprises the statement of financial position as at 31 December 2024, the statement of profit or loss and other comprehensive income, statement of changes in equity and statement of cash flows for the half-year ended on that date, a summary of material accounting policies and other explanatory information, and the directors' declaration.

Based on our review, which is not an audit, nothing has come to our attention that causes us to believe that the accompanying half-year financial report of Katherine Regional Enterprises Limited does not present fairly, in all material respects, the company's financial position at 31 December 2024, and of its financial performance and its cash flows for the half-year ended on that date, in accordance with the *Corporations Act 2001* and Accounting Standard AASB 134: *Interim Financial Reporting*.

Basis for Conclusion

We conducted our review in accordance with ASRE 2410: *Review of a Financial Report Performed by the Independent Auditor of the Entity*. Our responsibilities are further described in the *Auditor's Responsibilities for the Review of the Financial Report* section of our report. We are independent of the company in accordance with the auditor independence requirements of the *Corporations Act 2001* and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants (including Independence Standards)* (the Code) that are relevant to our audit of the annual financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We confirm that the independence declaration required by the *Corporations Act 2001* which has been given to the directors of the company, would be in the same terms if given to the directors as at the time of this auditor's review report.

Responsibility of the directors for the financial report

The directors of the company are responsible for the preparation and fair presentation of the half-year financial report in accordance with the Australian Accounting Standards and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation and fair presentation of the of the half-year financial report that is free from material misstatement, whether due to fraud error.

Auditor's responsibility for the review of the financial report

Our responsibility is to express a conclusion on the half-year financial report based on our review. ASRE 2410 requires us to conclude whether anything has come to our attention that causes us to believe that the half-year financial report does not present fairly, in all material respects in accordance with the *Corporations Act 2001* including giving a true and fair view of the company's financial position as at 31 December 2024 and its performance for the half-year ended on that date, in accordance with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
