# Proudly supporting our community

The Geraldton **Community Bank®** Branch is proud to be able to provide financial support for our communities, helping make connections and providing opportunities to partner with organisations that fit our business ideals.

The Community Bank® model is different from the 'big banks'. Bendigo Bank's Community Bank® model is set up to direct profits from its customer's banking business directly back into the local community that supports it.

Your home loan, credit card, term deposit, insurance premiums, business banking or financial planning business can all generate profit to be directed back into local community groups and organisations – just like yours.

Our branch and board of volunteer directors make decisions locally on where this money is directed and what projects to support.

We provide sponsorships that support worthwhile causes in order to create awareness and drive new business so that we can continue to contribute to the success of our community.

We welcome the opportunity to meet with any of your members, family, supporters or friends to have a chat about how we can assist with your banking needs – whatever they may be.
