

Hello Gold Coast!

Community Bank · Paradise Point

We've contributed \$4 million to the Northern Gold Coast

Community Bank branches are owned by local people and operated in partnership with Bendigo Bank. They return most of the profit they make to the community through sponsorships and grants to not for profit organisations and initiatives. We've contributed \$4 million to the Northern Gold Coast, supporting local initiatives to help our community thrive.

Gold Coast Hospital Foundation scholarships

The Gold Coast Hospital Foundation's Nursing and Midwifery Scholarships Program gives our local nurses and midwives the opportunity to further their studies. We're proud to support the program with \$20,000 in funding this year. The program builds the capacity and skills of local healthcare professionals, and ensures we have excellent healthcare services available for local families when they need them.

Supporting and inspiring our region's students

Every year we make a big contribution to the schools in our region. Our funding helps them deliver a range of extra-curricular initiatives designed to keep primary and secondary school students healthy, engaged and inspired. Currently, our funding provides free breakfasts for students, sponsors academic awards and school sports teams, runs STEM programs and helps with financial literacy information.

Griffith University: celebrating 50 years

Congratulations to Griffith University for 50 years of providing education and opportunities to hundreds of thousands of students from around Queensland, Australia and the world. We're proud to have supported the university for many years, including with a \$250,000 contribution to the Institute for Biomedicine and Glycomics in 2023, and through scholarships. We look forward to the next 50 years.

Community sport for health and connection

We are proud to sponsor over a dozen community sports clubs across our Gold Coast region. Community sport brings people together to stay fit, healthy and connected. Clubs provide a supportive community for many busy families, and help young athletes develop skills. Children and young people learn important life skills from sport (like teamwork and resilience). These and other sports skills set them up well for life.

When you bank with us you're supporting...
