Supporting our community

Community Bank branches are owned by local people and operated in partnership with Bendigo Bank. They return most of the profit they make to the community through sponsorships and grants to community and not for profit organisations and initiatives.

Over \$320 million has been pumped back into Australian communities by this network of Bendigo Bank branches to date. Around \$3.9 million of it right here in our North Gold Coast area. Here's just a few of the organisations the Community Bank at Paradise Point has supported lately—thanks to our customers.

Institute for Biomedicine and Glycomics

One of the recent contributions we are most proud of is the \$250,000 we provided to Griffith University's Institute for Biomedicine and Glycomics for the establishment of a new flow cytometry facility. Used by the institute's researchers, it will help scientists to study cancer and other infectious diseases, contributing to the health of people here and around the world.

Schools and sport

We love supporting the schools in our North Gold Coast region. Our assistance helps many local schools host events, facilitate team sports, and deliver a range of other initiatives designed to keep students healthy, happy and connected. We're also big supporters of community sport, currently sponsoring 14 sports clubs across the region. These clubs bring people together to stay fit, healthy and active.

HOTA—Home of the Arts

HOTA is an iconic Gold Coast destination where art, entertainment, culture and lifestyle meet. We are proud to support the Arts here on the Gold Coast as one of HOTA's corporate partners. It's a place that locals love and visitors must see. With a diverse program of theatre, music, art, cinema and dining, it is a vibrant cultural precinct which provides education and cultural experiences to everyone in our community.

Teenage Adventure Camps Queensland

TAC-Q creates opportunities for young people with life-threatening illnesses to have incredible experiences with their peers. Every year TAC-Q run a week-long adventure camp. The aim is for the teenage participants to be challenged, inspired and motivated as they take part in unforgettable activities and make new friends.

Legacy House Brisbane

We've contributed to building a new Legacy House in Brisbane for Australian Defence Force veterans and their families. Fewer Australians are losing their lives in service, but Legacy is increasingly helping the families of veterans who face mental health challenges. This new facility will provide such services and support all Queensland Legacy clubs.
