A note from the Chair

Throughout the 2023-24 financial year, your banking has continued to play a role in the growth and prosperity of our community.

Not only through a strong year in financial result - our profit for the 12 months ending 30 June 2024 was \$191,348.

But also through sponsorships, and donations totalling **\$107,625**, we've been able to invest in local events and initiatives.

Our banking team has continued to help locals to access the resources they need to succeed, providing a wide range of services.

We welcomed Brooke back from maternity leave, and said hello to new staff member Lisa, while regrettably saying goodbye to Jenni who has gone in to retirement.

This financial year also saw Sharon celebrate 15 years of employment with our Community Bank.

We appreciate your continued trust and look forward to creating a better future for everyone.

John Howard, Chairperson

Community Investment Evening

One of the highlights this year has been the community investment evening held at Sounness Park.

The evening was a great success with volunteers from over 20 local organisations attending and over \$70,000 in sponsorships being handed out.

The evening provided the opportunity for sponsorship recipients to meet the board of directors and branch staff, and it gave everyone the opportunity to discover the wide variety of organisations and projects there are happening in and around our community.

Supporting the community is just one of many reasons we do what we do, which is deliver exceptional banking to you that creates positive impact in our community - it's a win-win for everyone!
