## Support for the Stanthorpe Historic Vehicle & Machinery Club.

It has been with great pleasure that the Stanthorpe **Community Bank**<sup>®</sup> Branch has been able to support this group in its endeavours. Following is a note from their president:

The Stanthorpe Historical Vehicle and Machinery Group is currently in negotiation with The Summit Bowls

Club over the acquisition of some land. When this occurs, the group can start to build its own premises to house some of the group's machinery. Some of the monies from your last grants have been used to finance the printing of flyers and posters advertising events that the group has held to promote our group in the district.

We appreciate your sponsorship of our group.

## A word from the Chairman.

Another financial year has passed and we are eagerly awaiting our financial results to be produced. Our staff and Directors are all working hard towards generating a profitable outcome.

At present we are collating the information required to produce our third Annual Report. It is a very busy time for both myself and our Company Secretary, Catherine Orford. We all know nothing happens without planning and hard work.

Hopefully our staff situation is heading into our most stable phase since opening, and this will go a long way to running a smooth operation.

In the last 18 months there have been two major financial institutions close in Stanthorpe and our opening of an Agency in Texas. These happenings have really given our Stanthorpe **Community Bank**<sup>®</sup> Branch an exceptionally good opportunity to increase our business.

Our Marketing Committee are continually assessing opportunities to provide sponsorships and grants in both the Stanthorpe and Texas areas. Applications will be assessed later this year with distributions being made at our third birthday in February 2019.

Business is growing at a rapid pace and it is rewarding to be part of the continually growing Stanthorpe **Community Bank**<sup>®</sup> Branch.

**Don Gaske**  
Chairman

Just a reminder that the AGM (Annual General Meeting) is coming up and we are encouraging our shareholders, customers, and the recipients of past sponsorships and grants to attend.
