Newsletter

Community Bank · Willaura and Lake Bolac

Welcome to our Winter Newsletter

It's hard to believe we're already more than halfway through 2024, and with winter well and truly upon us, we know many of you will be hoping for good spring rains after what was an exceptionally dry autumn. Winter has been cold of course, but perfect for snuggling up inside with a hot chocolate, reading a good book or watching a movie.

Since our last newsletter our team has been busy both in branch and in our community. We have attended many events as well as going along to some of the the local footy and netball games. We hope you enjoy this edition, which is jammed packed with lots of news. Happy reading!

Top: Doesn't this photo capture the beautiful essence of our district. The luscious green pasture, the vibrant sea of yellow canola, the grazing mob of sheep and of course Joe, the cute border collie who sat so well for our photo shoot with the spectacular Grampians as the backdrop.

Thank you to our wonderful community members; Karen McIntyre, Andrew Robertson, Lisa Heard, Peter Sporton, Lauren Economou, Remy Economou, Rob Guttler, Daisy McDonald, Mick Murray and Charlotte Millear, who generously gave up their time to pose for our photo shoot. Thanks also to Lea Clark for capturing such wonderful photos and Heather Fleming for helping our photo shoot coordinator, Jo Byron find the perfect location and then assist on the day.

Recognising excellence in our schools during 2023

It was a busy time in December last year with graduations and presentations finishing off a hardworking year at our local schools. As part of our commitment to supporting students we were proud to once again be involved at the Willaura Primary School, Lake Bolac College and Maroona Primary School presentations. Branch Manager Suzanne Neumann visited all the schools and presented the recipients with awards that help acknowledge and encourage students. We'd like to congratulate all the students on a successful year, particularly those who received our Community Bank Awards.

Well done to the following recipients who received a \$100 voucher each for their outstanding achievements in 2023.

Roy Brewis (below) - Willaura Primary School: Numeracy Award

Scarlett Jackson (below right) - Lake Bolac College: Citizenship Award

2024 Grant Recipients Announced – banking locally benefits the local community

Thank you to all the community groups who submitted applications to our Community Grants Program. Nine local community groups and organisations have shared in over \$36,000 worth of grants, designed to support and enhance the lives of those living in the Willaura and Lake Bolac districts.

The Bank is celebrating its twentieth year of operation and is continuing to fulfill its pledge to return a portion of profits to the community that supports it.

Successful grant applications this year included funds for improvements to facilities, and upgrades to equipment. Funding also went to groups looking to celebrate history and strengthen community ties.

A Morning Tea with board members, staff, and representatives from the various groups was held at the Lake Bolac Business and Information Centre in June to celebrate the occasion. We loved the vibe, and hearing about all the great projects that we will help deliver. We look forward to seeing them come to fruition.

Chairperson of Willaura /Lake Bolac Financial Services Ltd, Rowly Paterson, said, "It gives us a lot of pleasure to be able to distribute these grants and sponsorships to local volunteer groups. We provide a banking service, and community support, and this is very important to us."

Mr Paterson particularly noted the importance of local football/netball clubs, saying, "These Clubs are a material part of the fabric of our community, especially for the young."

Nurse Practitioner Jan Miliken attended the Morning Tea on behalf of the Lake Bolac Bush Nursing Centre and said, "We are an integral part of the Lake Bolac community, and this grant is fantastic. It will be a big help in organising our dinner in November to celebrate ninety-five years of Bush Nursing service in the district."

Jonathan Box was there for the SMW Rovers FNC, who received significant funds towards

lighting at the Recreation Reserve. He said, "We've been working on this project for quite a while, and the Bank's support has pushed it to the next level for us. The lights will be great, not only for training and matches, but they'll also make a safer space for the children who play here".

Children were also a focus of the grants at Willaura. Neka Paterson was pleased to represent the Willaura and District Kindergarten and said, "The funds will be put towards equipment that keeps children active and ensures their minds are busy."

The Willaura Health Care Auxiliary Market was also a recipient, and Co-ordinator Jan Laidlaw said, "Our Auxiliary greatly appreciates the grant for our Market, which attracts visitors from across the entire district and raises much needed funds to support the residents and staff at Willaura Health Care."

Rowly Paterson reflected on volunteering in general, saying, "It's getting harder and harder to find volunteers who will make long term commitments, so well done to those of you who have given up your time and energy to support your organisations."

Finally, a big shout out to our branch customers who bank with us at Community Bank Willaura and Lake Bolac. Banking with our Community Bank generates the income that we invest back into our community. We couldn't have a grants and sponsorship program without your support, so a heartfelt THANK YOU for choosing to bank locally and in turn helping us to support the many local community groups in our district. You are a key part of the important triangle, and we truly appreciate your support.

*WLBFS Board Members and Community Bank Willaura and Lake Bolac Staff

Grants Recipients

Lake Bolac & District Little Athletics Club - Western Zone Cross Country 2024-2025	\$2500

Willaura & District Community Development Group – Lisa Wills, Jo Byron, Heather Fleming, Suzanne Neumann and Rowly Paterson

Lake Bolac Football Netball Club – Suzanne Neumann, Tom Gibson, Rowly Paterson, Lyn Webster and Lisa Wills

SMW Rovers Football Netball Club – Lisa Wills, Rowly Paterson, Johnathon Box and Suzanne Neumann

Welcome to our new Staff Member

We are pleased to announce that Sonia Gerrard joined our team in February as a part-time Customer Service Officer.

Sonia moved to Lake Bolac about five years ago with her daughter, and some of you may have come to know her while working at the Lake Bolac Supermarket.

She has worked in retail customer service for twenty-four years. During this time, she was an Operations Duty Manager at Bunnings in Leopold, and also the owner/operator of a butcher shop in Newcombe.

In her spare time Sonia likes to be creative and has various projects on the go. She also enjoys being outdoors and pottering around in her garden, and of course spending time with her family and friends.

Sonia is currently in the midst of her teller training, and we do appreciate your patience while she settles into her new role. She knows the importance of community engagement and hopes to be a long-term member of the Bendigo Bank community.

If you haven't already met her, please feel free to drop into the branch and say 'hello' to Sonia: she's looking forward to getting to know you all.

Event Sponsorship – Our bank supporting your community...

It doesn't get any better than that!

Our community is proud to sponsor many community events across our region. Here are just some of the wonderful events that we supported over the past six months.

Willaura Harvest Cut Out

Congratulations to everyone involved in organising the successful Willaura Harvest Cut Out Celebrations which were held 2nd February.

Harvest was tough and challenging, with heavy unseasonable rain falling during December and January, which reduced yields, damaged grain and only allowed a frustratingly small harvest window. The "Cut Out" was a welcome event for grain growers, farmers and townspeople alike. It was a chance for the community to come together, down tools for a bit and catch up with one another.

Suzanne, Jo, Lia and Jason Chuck and Alex Fraser from Rural Bank were happy to attend and catch up with everyone. Our creative artist Lia and her daughter Maggie-May and friend Maggie Atkinson were kept busy on the night transforming little ones with their face painting creations and colourful hair designs.

Live music by Bazz Music, great food provided by EV Cuisine and chatting to lots of locals made for a fun night out.

We were proud to sponsor the event, part of which was a prize for the winner of the junior water bombie competition, which was held at the local pool prior to the event. The winner was Jack Tucker, who was thrilled to have won. We hear on the grapevine that next year there will be a category for parents....!

Those who attended the family event were also treated to a wonderful display of creative photography, all taken in our own backyard as part of a photo competition. The competition was judged by ABC Radio Morning Show presenter Steve Martin, who was amazed by the calibre and originality of the photos that were submitted.

We are making great things happen in your community and that's something we are excited about.

L/RAlex Fraser Team Manager Agribusiness Direct, Jason Chuck, Rural Bank Regional Manager and WLBFS Chairman Rowly Paterson down tools for a while and enjoyed getting to meet many locals attending the evening.

Rob Guttler and Zac Chick enjoyed catching up at the Cut Out.

Water Bombie Competitors getting ready for the big bomb.

L/R Jason Chuck, Rural Bank Regional Manager, Ruth Gellert, Anna Gray, Rob Guttler, Suzanne Neumann, Team Manager Agribusiness Direct Alex Fraser, WLBFS Chairman Rowly Paterson, Front Peter Sporton

Charlotte Vallance loved the artistic rainbow that Lia Slattery so cleverly created.

Water Bombie Competition Judge Peter Sporton, with winner James Tucker and Branch Manager Suzanne Neumann.

Event Sponsorship – Our bank supporting your community... (continued)

Willaura Farm to Pub

Following a three-year break, the much-anticipated Willaura Farm to Pub run, walk or ride returned in February to where it all began, at the old Joyce farm. In 2003 it started as a challenge between the extended Joyce families, then the event quickly developed into a widely supported community day raising awareness of mental health and raising funds to support programs involved in it.

The unique event in the racing and social calendar was well supported this year with over 120 participants taking part. Many ran or rode the notorious Sandy Lane, and others strolled, or were pushed along the much gentler Yarram Gap Road to the finish line at the Willaura Recreation Reserve. All are to be commended on their efforts. There were prizes for first, second and third place getters in the 16.4 kilometre and 8.2 kilometre run or ride and novelty prizes for the 5-kilometre walk, run or ride, which we were proud to have sponsored.

Following the event, participants and supporters were treated to a sausage sizzle which was organised by the Willaura Primary School parents committee and some well-earned beverages served up by the Willaura Recreation Reserve committee.

Like the Harvest Cutout, it was also an opportunity for the community to come together, have a chat and meet new

people. All profits of this year's event were donated to One Red Tree Resource Centre.

Congratulations to all involved in making the day a huge success and we look forward to being involved again in 2025, who knows: maybe we'll have a competitor or two there as well.

Damian Joyce and Mick Davis have been long-time supporters of the F2P.

Sarah Guthrie and Celia Tucker on notorious Sandy Lane.

Anna Gellert, Sarja Brain and Nick Brain cooking up a storm ready for the hungry participants when they cross the finish line.

A family affair with sisters Hannah Jenkinson, Sarah Heard and Phoebe Barlow who competed alongside younger members of their families.

L/R Rural Bank Regional Manager Jason Chuck, Sybil Burmeister, Anna Gray, Branch Manager Suzanne Neumann, W.L.B.F.S. Chairman Rowly Paterson and Team Manager Agribusiness Direct Alex Fraser

Lake Bolac Eel Festival

The 14th Lake Bolac Eel Festival held on the 22nd & 23rd March was a great success, thanks to everyone involved. Our branch was pleased to once again support this bi-annual music and arts weekend and we congratulate the Lake Bolac Eel Festival committee on another fabulous event.

The Art Auction held on the Friday night sold out, with over one hundred and fifty guests vying for some thirty original artworks.

About six-hundred people attended the festival on Saturday, which included workshops, information stalls and plenty of delicious food options. The Twilight Ceremony was quite spectacular, and attendees enjoyed an innovative and entertaining music program.

Our community is fortunate to have such a diverse and interesting festival right here in Lake Bolac, and we are happy to support those volunteers who make it all happen.

Willaura Healthcare Market

Held in March at the Willaura Recreation Reserve, the annual Willaura Healthcare Market was an outstanding success. Well over one thousand people attended and around sixty stall holders offered a delightful array of fresh produce, quality handmade crafts and wares, homemade cakes, coffee, ice-cream and artwork.

Whether visitors were seeking a bargain, or just happy to chat to others while enjoying the sunshine, the market had something for everyone.

Of special note this year was the stationery engine display and the working blacksmith. Both attracted plenty of interest from a crowd keen to learn about how it was all done 'back in the olden days.'

Popular duo Ruth and Ziggy once again provided music for patrons to enjoy, and the little ones were kept entertained with a jumping castle.

Our Community Bank contributed \$600 to the Market, which was used for children's activities. We are proud to support the Auxiliary in its efforts to create such a fantastic community event for Willaura.

Board Chairman Rowly Paterson and Board Member Hannah Jenkinson were both involved in the lead up to the market and on the day, especially Hannah, who is the Auxiliary Treasurer. She and Rowly were very useful at setting and packing up, as well as being generally 'on call' for any jobs going.

Auxiliary President Heather Fleming said, "We are most grateful to the many volunteers, stall holders and attendees who come together to help the Willaura Health Care Service. It's a great day out for everyone, and in the process, we raise funds to enhance the lives of our elderly residents and patients, and also to assist the staff who take such good care of them. We are especially grateful to Community Bank Willaura and Lake Bolac for its generous contribution to our day."

The market is unique and has maintained its integrity and high quality ever since it commenced back in the early 2,000's. We congratulate all the organisers, volunteers and other sponsors on a wonderful community activity.

Make sure you pop Sunday March 2nd, 2025, in your diary, and be ready for another great day out next year.

Together we make great things happen in your community.

Climate Report out now

The Rural Bank Insights team is pleased to release its first Climate Report. As an industry whose prosperity is

heavily reliant on the climate, it is vital that farmers understand implications for their businesses for planning. This report is an in-depth compilation of likely and predicted scenarios that an agribusiness can consider and factor in to forward management planning.

The new report joins the stable of Agri Insights industry reports and updates that position us as experts in agriculture and being considered when farmers are looking at their banking needs.

To view the climate report please go to www.ruralbank.com.au/knowledge-and-insights/publications/climate-report/

Australian Farmland Values report out now

The Rural Bank Insights team has released the ninth edition of the Farmland Values

report. This is Australia's longest running analysis of the farmland market, tracking sales from the past 29 years. This report looks at the trends in farmland values in 2023 from a national, state and local level. Understanding these trends is vital for making informed decisions about your farming business' biggest asset.

By analysing data for every farmland transaction in this period, the report provides insights on how lower commodity prices, drier seasonal conditions and higher interest rates have impacted the value of farmland in 2023. The Australian Farmland Values report is exclusively available to our Rural Bank Insights subscribers.

To access the report please go to www.ruralbank.com.au/knowledge-and-insights/publications/farmland-values/subscribe/

Sporting Sponsorship - Your banking supporting local sport.

Our community is proud to sponsor many sporting activities across our region.

Footy and netball receive \$10,000 worth of support.

In addition to the grants, the Community Bank has also provided sponsorship of two thousand dollars each to five local Mininera and District League Football/Netball Clubs, including Moyston/Willaura, Wickliffe/Lake Bolac, Tatyoon, SMW Rovers and Woorndoo/Mortlake. These community investments have high and long-term impact and are made possible by the customers who choose to bank with us and support the re-investment of bank profits into our community.

President of the Moyston Willaura FNC Jodie Pitcher was grateful of our partnership and said "The club appreciates the ongoing support from the Willaura and Lake Bolac Community Bank. The contribution allows us to support our Junior and Senior programs

for both football and netball".

Jill Wade from Woorndoo/Mortlake FNC said "The sponsorship support that Bendigo Bank give the Woorndoo/Mortlake Football Club each year goes to assisting the purchase of minor equipment like netballs and footballs, sporting tape and equipment such as tackle bags, cones and training bibs to assist in training. The club is very grateful for this ongoing support".

It's vital support like this that helps clubs stay active, healthy and enjoying a great winter of community sport. It helps connect people and recognise the impacts team sports have on the happiness and wellbeing of its players, members and spectators. And that's something we are proud of!

Wickliffe/Lake Bolac Football Netball Club - Ben Vallance, Emma Vallance, and Georgia Ford

SMW Rovers Football Netball Club - Tony Liston, Johnathon Box, Callum Baker, Ash Gray, Ben Tait and Tom Thewlis

Tatyoon Football Netball Club - Danny Conboy and James Shanhun

Woorndoo/Mortlake Football Netball Club - Jordan Buckley, Tom Gough, Tyler Fowler, Mia Ritchie, Lucy Carmody and Elise Killen

Moyston/Willaura Football Netball Club - Jodie Pitcher, Erica Evans, Max Pedersen, Luke Stevens, Chelsea Wilson, Dylan Scobie and Alayna Pitcher

Netball - Mininera and District Netball Association Junior Netball Squads assisted by our Community Bank

Our Community Bank was proud to support the MDNA representative teams once again this year. Our sponsorship included supplying each participant with a drink bottle to use during the competition, as well as providing funding that went towards purchasing training tops and hoodies for the players and coaches. We would like to congratulate all participants on their efforts.

The MDNA Junior Netball Squads competed at the Western Region Association Championship in June at Warrnambool. Coach Matthew McLeod reported that three Mininera & District Junior Netball teams competed over the weekend with all participants showing great team spirit, dedication and passion.

The Mininera U17s team had a tough day but remained competitive throughout, managing to come away with a win against Warrnambool & District Football/Netball League and finishing eighth in their division. They did the league proud, and we hope that some will return next year for another go.

The U15s team also had a tough day but remained determine throughout. Unfortunately, they did not come away with any points, finishing sixth in their division. The girls did an amazing job, and we hope to see most of them back next year.

The U13s team had a brilliant day out and finished third in their division, coming away with a win and a draw. Both games were played against the Central highlands Football/Netball League. The team played Ballarat Football/Netball League in the Semi-final, where the girls went down 14-7. The girls worked well together as a team and enjoyed a great day out.

On behalf of the Mininera and District Netball Association Coach Matthew McLeod said "I would like to thank the Willaura and Lake Bolac Community Bank for supplying drink bottles for all players and we're grateful for their sponsorship which went towards purchasing training tops and hoodies for players and coaches. We are looking forward to next year when the 2025 Championships are held again".

From top: The 13 and under squad, 15 and under squad, and 17 and under squad

Golfers benefit from Community Bank support

The Lake Bolac Golf Club's annual blue ribbon women's teams' event; the Lake Bolac Cup, was contested on Friday May 17th. The Cup was first presented in 1980 and forty-four years on, Community Bank Willaura and Lake Bolac was pleased to sponsor it.

The Cup was contested by nineteen teams from thirteen different Western Victorian clubs: Beaufort, Buninyong, Camperdown,

Chalambar, East Framlingham, Grampians, Hamilton, Mooralla, Parklands, Port Fairy, Timboon, Willaura and Lake Bolac. The East Framlingham No 1 team won and runners-up were the Camperdown ladies.

We congratulate the Golf Club on organising such a well-attended and enjoyable event, and also on maintaining the course in such excellent condition.

A grade winner – Glenys Dixon with Branch Manager Suzanne Neumann who presented the trophies

B grade winner – Lorraine Smyth with Branch Manager Suzanne Neumann

C grade winner – Kathy Somerville with Branch Manager Suzanne Neumann

Winning team – East Framlingham L/R Barb Hill, Gwenda Malseed and Thelma Inverarity with Branch Manager Suzanne Neumann

Happy snaps to make you smile!

THANKYOU Heather, Mick and Lea. We couldn't let 2023 slip by without saying a BIG THANKYOU to Heather Fleming, Mick Murray and Lea Clark for volunteering their time throughout the year to help us when called upon. Heather is always willing and helpful when it comes to proofreading our newsletters prior to it going to print. Mick Murray keeps our little backyard at our Willaura Branch free from weeds and is our go to handyman who is our official and "patient" staff photographer who captures our team photos and also snapped the wonderful Community photos.

We are very fortunate and grateful to have such wonderful people who are willing to volunteer their time to help us out when needed. We asked them all to pop in to see us before Christmas where we presented them with a small gift to say thanks.

The Lake Bolac College Annual Fete was held at the school last November and our Branch couldn't resist getting involved once again with this wonderful event. Branch Manager Suzanne Neumann and staff member Lia Slattery went along with some cool Bendigo Bank helium balloons that the students loved. It's always a special event. It's organised by the students and is a great opportunity to buy homemade and artisan products and goodies. There were also lots of fun activities on offer which were enjoyed by all who attended. Congratulations to all involved in making the day a huge success and we look forward to being involved again next year.

There was lots of sunshine & smiles back in January when this huge sunflower was in full bloom next door at Pete's Bakery. Lia is a big believer in flower power, and she couldn't help but give this gorgeous sunflower a hug. She had to stand on the step ladder to achieve it though!

Look who popped in to see us recently at our Willaura Branch. Our State Manager - Regional Victoria & Tasmania, Ashon Capp and our Southwest Victoria Regional Manager, Stacey O'Neill called in for a visit while travelling around our region. It was lovely to catch up with them.

Whoa! What a busy time of year it was leading up to Christmas last year, and the festivities continued at our Branch and Board Christmas Party, which allowed us to celebrate the end of another successful year. Thanks to our hosts Rowly and Judy Paterson for their hospitality and Paula Symons for the delicious feast. L/R Colin McKenzie, Jane Blackburn, David Hucker, Simone McDonald, Lisa Wills, Hannah Jenkinson, Rowly Paterson, Will Abbott, Clare Hill, Suzanne Neumann, Jo Byron.

Helping our community Bank Safely Online

In April our team delivered face to face "Banking Safely Online" sessions at Willaura and Lake Bolac, which took customers through the benefits and importance of getting digitally connected,

staying safe and recognising and preventing scams and fraud. The 30-minute sessions helped many of our community members become better equipped to navigate the digital banking world and protect themselves online.

The Bank's community focused education approach is in response to the growing problem of scams and fraud, with Australians losing more than \$3 billion to scams in 2022, according to ScamWatch. The community focused education approach is enabling one-on-one connections between our bank and the public to help grow their digital capabilities, confidence and to help more Australians safely navigate digital banking.

If your local club or group would like to organise a session and learn more about digital safety, please contact our branches and our team will be happy to deliver it.

Just a Farmer

Have you seen this compelling and thought-provoking film yet? Written, produced and acted in by Tatyoon's Leila McDougall, along with her husband Sean, who was also a producer, it portrays the dreadful impacts of suicide in rural Australia, and sheds light on critical mental health issues in farming communities. The film celebrates the resilience of farmers but at the same time creating an awareness about the importance for conversation and change.

We were proud to play a very small part in the film's production by providing the Community Bank trailer for use by the cast and crew. If you'd like to know more about this amazing production or watch the film go to www.justafarmermovie.com

Save the date!
